BZI issues and administers the **policy**. BZI acts under a binding authority for the **insurer** and not **you**.

About QBE

The **insurer** is QBE Insurance (Australia) Limited ABN 78 003 191 035 AFSL 239545 (QBE). QBE is a member of the QBE Insurance Group of companies. QBE Insurance Group Limited ABN 28 008 485 014 is the ultimate parent entity and is listed on the Australian Securities Exchange (ASX: QBE). **We** have been helping Australians protect the things that are important to them since 1886.

Financial claims schemes

The **insurer** of this **policy**, QBE, is an insurance company authorised under the Insurance Act 1973 (Cth) to carry on general insurance business in Australia. As such, they are subject to prudential requirements and standards, regulated by the Australian Prudential Regulation Authority (APRA).

This **policy** may be a protected **policy** under the Federal Government's Financial Claims Scheme (FCS) which is administered by APRA.

The FCS may apply in the event that a general insurance company becomes insolvent. If the FCS applies, a person who is entitled to make a claim under this insurance **policy** may be entitled to a payment under the FCS. Access to the FCS is subject to eligibility criteria.

Further information about the FCS can be obtained at www.fcs.gov.au

How to apply for this policy

Throughout this document when **we** are referring to **your** insurance broker or adviser, **we** simply refer to them as **your** intermediary.

If **you** are interested in buying this product or have any inquiries about it, **you** should contact **your** intermediary who should be able to provide **you** with all the information and assistance **you** require.

If **you** are not satisfied with the information provided by **your** intermediary, **you** can contact **us** at the address or telephone number shown on the back cover of this document. However, **we** are only able to provide factual information or general advice about the product. **We** do not give advice on whether the product is appropriate for **your** personal objectives, needs or financial situation. Therefore, **you** should carefully read this document before deciding whether to purchase this product or not.

Our contract with you

You must pay **us** or **your** intermediary the agreed **premium** by the date due, to ensure there is cover under this **policy**. If **we** accept a claim under this **policy**, **you** will always need to pay **us** the **premium** due. **Your policy** is a contract of insurance between **you** and the **insurer**.

Your policy is made up of:

- The policy wording beginning with the 'What you are covered for' section. It tells **you** what is covered, sets out the claims procedures, exclusions and other terms and conditions of cover;

- **your policy schedule** provided by **us** for the relevant **period of insurance**. The **policy schedule** is a separate document unique to **you**, which shows the insurance details relevant to **you**. It includes any agreed changes, exclusions, terms and conditions made to suit **your** individual circumstances; and
- any other written change otherwise advised by **us** in writing (such as an endorsement or a supplementary PDS). These written changes vary or modify the above documents.

This document is also the PDS and policy wording for any offer of renewal **we** may make, unless **we** tell **you** otherwise. Please keep **your** documents in a safe place.

Unless stated otherwise in the **policy**, if there is more than one insured on the **policy**, then anything which any of the insureds says, does or omits to advise to **us**, applies to and affects the rights of all of the insureds under this **policy** or any claim made under it. **We** only need a request from one insured to change or cancel **your policy**, or to tell **us** where an approved claim payment should be paid.

Confirmation of transactions

If **you** need to clarify any of the information contained in this PDS, wish to confirm a transaction or **you** have any other queries regarding **your policy** or **your** claim, **your** first point of contact is **your** intermediary. However, if **you** would like to contact **us** directly, please use the contact details on the back cover.

Cooling-off period

After **you** apply for (or renew) a BZI product and **you** have received the PDS, **you** have **30 days** to check that the **policy** meets **your** needs. Within this time **you** may cancel the **policy** and receive a full refund of any **premiums** paid (less any non-refundable government charges, taxes and levies that **we** have paid and are not recoverable), unless:

- **you** have made a claim under **your policy**; or
- **you** have exercised any right or power **you** have in respect of **your policy** or the **policy** has ended.

Your request needs to be provided to **us** via **your** intermediary.

You can cancel **your policy** at any time after the cooling-off period. Please refer to 'Cancellation' under the General Terms and Conditions

section.

Goods and Services Tax (GST)

You must advise **us** of **your** correct input tax credit percentage (**your** entitlement to GST credits on **your** insurance **premium**), where **you** are GST registered as a business and have an Australian Business Number.

We will not indemnify **you** for any GST liability, fines or penalties that arise from or are attributable to **your** failure to notify **us** of **your** entitlement (or correct entitlement) to an input tax credit on the **premium**.

The **sum insured type** values that **you** choose should exclude GST and all dollar amounts in this PDS are exclusive of GST unless stated otherwise.

In the event of a claim, if **you** are not registered for GST, **we** will reimburse **you** the GST component, in addition to the amount **we** pay **you**. If **you** are registered for GST the amount that **we** are liable to pay under this **policy** will be reduced by the amount of any input tax credit that **you** are or may be entitled to claim for the supply of goods or services covered by that payment.

If **you** are unsure about the taxation implications of this **policy**, **you** should seek advice from **your** accountant or tax professional.

How we determine your premium

The amount of **your premium** is determined by taking a number of different factors into account.

It is important for **you** to know that the **premium** varies depending on the information **we** receive from **you** about the risk to be covered by **us**. Based on **our** experience and expertise, **we** decide what factors increase **our** risk and how they should impact on the **premium**.

For this product the following are some of the factors that are taken into consideration when determining the appropriate **premium**:

- the nature of business use for **your vehicle**;
- the value of **your vehicle**, including any **modifications, attachments or non-standard accessories** that have been added to it and specified in **your policy schedule**;
- where the **vehicle** is parked overnight;
- the details of any disclosed drivers of **your vehicle**, including their age, driving experience and claims history;
- the level of cover **you** have chosen and whether **you** have chosen any optional covers or not;
- whether **you** choose to pay **your premium** annually or by instalments;
- the **excess you** have chosen.

Your intermediary can arrange for **you** to be provided with a quote for a **premium**. **You** will need to supply all **your** relevant details to **your** intermediary to enable **us** to calculate **your premium**.

Any fees **we** charge for roadside assistance under the 'Roadside Assistance' optional cover will be shown separately on **your policy schedule** and are not considered to be part of **your premium**.

Another important thing to know is that **your premium** also includes amounts that take into account **our** obligation to pay any relevant compulsory government charges, taxes or levies (e. g. Insurance Duty, GST or Emergency Services Levy) in relation to **your policy**.

Roadside assistance fees will include an amount for GST. These amounts will be set out separately on **your policy schedule** as part of the total amount due for the **policy**.

Also, minimum **premiums** may apply. Any discounts or entitlements may be subject to rounding and only apply to the extent any minimum **premium** is not reached.

BZI may also add an agency fee to the **premium** that is charged, and this will be shown on **your policy schedule**. The agency fee will only be refunded when the **policy** is cancelled within the cooling-off period or where the cancellation is effective from the start date of the **period of insurance**.

Your duty of disclosure

Before **you** enter into this contract of insurance, **you** have a duty to tell **us** anything that **you** know, or could reasonably be expected to know, may affect **our** decision to insure **you** and on what terms.

You have this duty until **we** agree to insure **you**.

You have the same duty before **you** renew, extend, vary or reinstate an insurance contract.

You do not need to tell **us** anything that:

- reduces the risk **we** insure **you** for; or
- is common knowledge; or
- **we** know or should know as an insurer; or
- **we** waive **your** duty to tell **us** about.

If you do not tell us something

If **you** do not tell **us** anything **you** are required to, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to tell **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

How to pay your premium

There are three ways that **you** can pay **your** premium:

- an annual payment to **your** intermediary;
- if provided, an annual payment directly to **BZI** from **your** credit card or from **your** bank account which can be arranged by **you** or **your** intermediary; or
- if provided, in monthly instalments by automatic deduction from **your** credit card or from **your** bank account which can be arranged by **you** or **your** intermediary.

You must pay **your** premium in the manner set out on **your** policy schedule.

How to pay your premium via your intermediary

If **you** are paying **your** annual premium via **your** intermediary, **you** must pay them by the due date shown on **your** policy schedule. If **your** premium is unpaid after the due date **we** may be entitled to reduce or refuse to pay a claim or cancel this **policy**.

How to pay your annual premium directly to BZI

If **you** are paying **your** annual **premium** directly to **BZI**, **we** will deduct **your** annual **premium** from **your** nominated bank account or credit card within three business days after the day the details of the credit card or bank account have been provided to **us**.

If an attempt to deduct **your** annual **premium** is dishonoured for any reason, **we** will notify **you** and/or **your** intermediary and provide details on:

- any actions required by **you**; and
- when **we** will next attempt to deduct the annual **premium**.

After three unsuccessful attempts to deduct the annual **premium**, **we** may cancel this **policy**. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and when the cancellation will become effective.

How to pay your instalment premium

We will deduct **your** instalment **premium** each month from **your** nominated bank account or credit card on the day of the month shown on **your policy schedule** as **your** payment date.

Where a bank account is provided for payment, any payments falling on a weekend or public holiday will be deducted on the next business day. Where a credit card or debit card is provided, any payments falling on a weekend will be deducted on the following weekday, even if that weekday falls on a public holiday.

When **you** renew **your policy**, **we** will continue to deduct **your** instalment **premiums** for **your** renewed **policy** on the same day of the month, unless **you** tell **us** otherwise.

Further details of **your** instalments are shown on **your policy schedule**.

If any instalment **premium** is dishonoured for any reason, **we** will notify **you** and/or **your** intermediary and provide details on:

- any actions required by **you**; and
- when **we** will next attempt to deduct that instalment **premium**.

After three unsuccessful attempts to deduct a given instalment **premium**, **we** may cancel this **policy**. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and the date of cancellation.

In the event that **you** fail to make any of **your** instalment **premium** payments when they are due, **you** may be responsible for any administration or dishonour fees which may be charged by **your** financial institution.

We are entitled to deduct any unpaid **premium** instalments from any amount **we** pay under a total loss claim.

We may not pay a claim under this **policy** if, at the time the claim occurred, any instalment of **premium** has remained unpaid for 14 days or more.

You must tell **us** if **your** nominated bank account or credit card details change. To ensure **your** cover is not affected, **you** must do

this no later than 7 days before **your** next instalment is due.

If **your policy** has been included as part of a 'package' of **BZI** policies then the instalment **premiums** for all policies on that package will be combined and one instalment will be collected on each instalment date. The details of the combined instalment schedule for the package will be shown on **your** package schedule which **your** intermediary should provide to **you**.

If an instalment for a package is dishonoured for any reason then the approach detailed above will apply to all policies in that package. In particular, after three unsuccessful attempts to deduct a given instalment **premium** for a package, **we** may cancel all policies in the package. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and the date of cancellation.

Renewal

At least 14 days before the **policy** expires **we** will provide **you** with a notice, offering **our** renewal terms, or explaining the reason for not renewing your **policy**. If **we** offer to renew **your policy**, **you** are not obliged to renew the **policy** with **us**. **We** encourage **you** to review the new **sum insured type** amounts and coverages to make sure they continue to meet **your** needs.

If **your** nominated method of paying your **premium** is by direct debit, and **you** decide to renew this **policy**, then **we** will continue to debit **your** nominated bank account or credit card for the remainder of the **period of insurance**. If **you** pay **your premium** annually, **you** must pay the full amount by the due date shown on **your** renewal invitation in order for cover to continue into the renewed **period of insurance**.

This PDS (together with any amendments, updates or endorsements that **we** give **you** in writing) also applies for any offer of renewal **we** make, unless **we** tell **you** otherwise or provide **you** with a new updated PDS.

Your cooling-off period applies on each renewal. See 'Cooling-off period' for details.

Each renewal is a separate contract and not an extension of the prior contract.

WHAT YOU ARE COVERED FOR

When **you** purchase this **policy** and pay or agree to pay **us** the **premium** for it, then this section details what this **policy** covers, which is dependent on the level of cover chosen as shown on **your policy schedule**. The cover that is provided under this **policy** should be read together with the 'General terms and conditions' section and the 'General exclusions' section.

Comprehensive cover

If **your policy schedule** shows that **you** have selected 'Comprehensive' cover then, subject to the terms, conditions, limits and exclusions of the **policy**, this **policy** covers during the **period of insurance** the following:

- Section One: loss or damage to or theft of your vehicle, and
- Section Two: legal liability.

Third Party Fire and Theft cover

If **your policy schedule** shows that **you** have selected 'Third Party Fire and Theft' cover then, subject to the terms, conditions, limits and exclusions of the **policy**, this **policy** covers during the **period of insurance** the following:

- Section One: loss or damage to or theft of your vehicle, but cover is limited to loss or damage caused by fire, explosion, lightning or theft; and
- Section Two: legal liability.

Third Party Only cover

If **your policy schedule** shows that **you** have selected 'Third Party Only' cover then, subject to the terms, conditions, limits and exclusions of the **policy**, this **policy** covers during the **period of insurance** the following:

- Section Two: legal liability only.

For a summary of benefits available to choose under this **policy**, please see the 'Benefits summary' section.

Depending on the level of cover **you** choose, **we** also provide a range of 'additional benefits' and **you** may also be able to add some 'optional covers'.

Significant issues to consider

This **policy** contains **policy** exclusions, **policy** terms and conditions and **policy** limits and sub-limits that **you** should be aware of when deciding to purchase **our** product.

You should read the PDS and the rest of **your policy** carefully to make yourself aware of all the terms and conditions that apply to the various covers detailed within it. If **you** or someone else covered by this **policy** does not meet them, **we** may need to decline or reduce the claim payment or cancel **your policy**.

Make sure you have the cover you need

Please ask **your** insurance intermediary if **you** are unsure about any aspect of this **policy** and discuss the appropriate cover for **your** needs.

You should also advise **your** intermediary to notify **us** as soon as possible when **your** circumstances change which are relevant to **your policy**.

If **you** do not tell **your** intermediary of these changes, in the event of **your vehicle** suffers **loss or damage**, **your sum insured type** may not be adequate to cover a future claimed loss, or **you** may not have any cover under **your policy**.

About the value of your vehicle

Under this **policy** **we** may insure **your vehicle** for an **agreed value**, a **sum insured** or for its **market value**. **Your policy schedule** will show whether **your vehicle** is insured for an **agreed value**, a **sum insured** or for **market value**. Unless otherwise stated the value of **your vehicle** in this **policy** will exclude GST (Please see the 'Goods and Services Tax' section for more details on how **we** will treat GST in the event of a claim).

Agreed value

When **your vehicle** is insured for **agreed value**, the **agreed value** will be:

- the insured amount shown on **your policy schedule**, and
- the value of any **modifications, attachments** or **non-standard accessories** added to **your vehicle** and shown on **your policy schedule**.

Market value

When **your vehicle** is insured for **market value**, if there is a claim on **your vehicle**, **we** will assess its **market value** as at the time of the incident giving rise to the claim, by considering:

- the condition of **your vehicle** and its age;
- any **modifications, attachments**, or **non-standard accessories** added to **your vehicle** that have been specified on **your policy schedule** (see below for more details);
- local market prices for vehicles similar to **your vehicle**; and
- motor **vehicle** valuation guides that are commonly used by the motor industry in Australia.

Sum Insured

When **your vehicle** is insured for **sum insured**, the **sum insured** will be:

- the insured amount shown on **your policy schedule**, and
- the value of any **modifications, attachments, or non-standard accessories** added to **your vehicle** and shown on **your policy schedule**.

Payment will be made on the **sum insured** or the **market value**, whichever is the lesser.

Modifications, attachments and Non-standard accessories

All accessories and **modifications** on **your vehicle** that are fitted as standard features or equipment by the manufacturer are automatically included in the **sum insured, market value** or **agreed value**.

If **your vehicle** has **modifications, attachments, or non-standard accessories** added to it (including those fitted by the manufacturer or dealer) then they may be automatically covered under the additional benefit 'Unspecified modifications, attachments, or non-standard accessories', however this cover is limited to:

- **modifications, attachments or non-standard accessories** that do not enhance the performance of the **vehicle**, for example excluding any that:
 - increase the **vehicle's** power output or maximum speed;
 - improve the performance of the **vehicle's** steering and/or brakes;
 - lower the **vehicle's** suspension; or is designed for the **purposes** of racing,up to a limit of **\$5,000** or **25%** of the **vehicle's** value (**agreed value, sum insured** or **market value**, whichever applies to **your policy**), whichever is the lesser.

For cover in addition to the automatic cover under the additional benefit, any **modifications, attachments, or non-standard accessories** must be notified to **us** and **we** must agree to insure them under this **policy**, in which case:

- they will be shown on **your policy schedule**, including the value that they have been insured for which is the most **we** will pay for that item in any one claim; and
- **we** may charge an additional **premium** or impose a **policy** condition; and
- all performance-enhancing **modifications** must be notified to **us** so **we** can determine as to whether **we** will agree to insure the **vehicle** including those **modifications** under this **policy**.

If **we** cannot insure it, **we** may need to cancel **your policy**.

SECTION ONE: LOSS OR DAMAGE TO AND THEFT OF YOUR VEHICLE

COMPREHENSIVE

THIRD PARTY FIRE AND THEFT

THIRD PARTY COVER

What you are covered for

Comprehensive cover

If **your policy schedule** shows that **you** have selected 'Comprehensive' cover, then subject to its terms, this **policy** covers **loss or damage** to **your vehicle** that occurs during the **period of insurance**, including:

- fire, explosion or lightning;
- theft or attempted theft;
- collision;
- impact;
- **malicious damage** or vandalism; and
- storm, flood or hail.

Third Party Fire and Theft cover

If **your policy schedule** shows that **you** have selected 'Third Party, Fire and Theft' cover, then subject to its terms, this **policy** covers **loss or damage** to **your vehicle** that occurs during the **period of insurance** but only where it is a direct result of one of the following:

- fire, explosion or lightning; or
- theft or attempted theft.

Third Party Only cover

Please note that no cover is provided under Section One: **Loss or damage** to or theft of **your vehicle** if **your policy schedule** shows that **you** have selected **Third Party** Only cover.

The most we will cover

If this **policy** covers more than one **vehicle**, the maximum amount **we** will pay for the total of all claims arising from one **event** under Section One is \$15,000,000 unless stated otherwise in **your policy schedule**. This includes any amounts paid for under the additional benefits section.

If your vehicle is not a total loss

If **your vehicle** is not a **total loss**, and it is safe to repair, then **we** will:

- repair **your vehicle**, or any part of it;
- replace any part of **your vehicle**; or
- pay **you** the reasonable costs of repairing or replacing **your vehicle**, or any part of it.

Sometimes, despite **your vehicle** not being a **total loss**, **we** won't be able to repair it, for example:

- if parts are needed for the repair and they are not reasonably available;
- if **we're** concerned about the pre-incident condition of **your vehicle**; or
- if **we're** concerned about the timing or conduct of the repair.

If that is the case, then the most **we** will pay is the lesser of:

- an amount equal to the reasonable cost of repair that **you** could access after a fair and diligent search of the repairer marketplace within a reasonable geographical area from where **you** live; or
- the value of **your vehicle**, being:

- the **market value** of **your vehicle** if **your policy schedule** shows that **your vehicle** is insured for **market value**, or
- the **agreed value** of **your vehicle** if **your policy schedule** shows that **your vehicle** is insured for **agreed value**, or
- the **sum insured** or the **market value** of **your vehicle**, whichever is the lesser, if **your policy schedule** shows that **your vehicle** is insured for **sum insured**.

We may require **your vehicle** to be moved to allow for a comparative repair quote that we request.

If your vehicle is a total loss

If **your vehicle** is a total loss and someone else has a financial interest in it, then we will pay them to the extent of their interest first, and pay you any remainder, less any **excess** that applies.

The most we will pay if **your vehicle** is a **total loss** is:

- the **market value** of **your vehicle** if **your policy schedule** shows that **your vehicle** is insured for **market value**, or
- the **agreed value** of **your vehicle** if **your policy schedule** shows that **your vehicle** is insured for **agreed value**, or
- the **sum insured** or the **market value** of **your vehicle**, whichever is the lesser, if **your policy schedule** shows that **your vehicle** is insured for **sum insured**.

The settlement amount for the claim will be reduced by the following (where applicable):

- any **excess** that applies to the claim;
- any unpaid **premium** for the **period of insurance** that the claim occurred;
- the wrecked value of **your damaged vehicle**, only if we agree you can keep it. The wreckage of **your vehicle** (including any **modifications, attachments** or **non-standard accessories**) will become **our** property. We will keep any proceeds from the sale of the wreckage.

The insurance cover on **your vehicle** will end at the time we declare **your vehicle** a **total loss**. We will not return the **premium** associated with the unexpired portion of the **period of insurance**, since our promise to you under **your policy** has been fulfilled.

GENERAL EXCLUSIONS

We will take into account section 54 of the Insurance Contracts Act 1984 (Cth) when **we** assess any claim made under this **policy**.

Section 54 of the Insurance Contracts Act prevents **us** from refusing a claim because of something the Insured or some other person has done, or not done, after the **policy** was entered into, unless that thing caused or contributed to the claimed loss. But **we** can reduce a claim by an amount that fairly represents **our** prejudice because of the thing that was done or not done.

Subject to section 54 of the Insurance Contracts Act 1984 (Cth), there is no cover under any section of this **policy** for a claim, where at the time of the **damage, loss, cost or legal liability** that resulted in the claim, any of the following apply:

The driver of the vehicle

Your vehicle (or **substitute vehicle**) was being driven by:

- any person, including **you**, who was not properly licensed to drive **your vehicle** (or **substitute vehicle**). This exclusion does not apply if **you** can prove that:
 - **you** did not consent to that person driving **your vehicle** (or **substitute vehicle**); or
 - **you** had no reason to suspect that they were not properly licensed or were not complying with any conditions imposed on their licence;
- any person listed on **your policy schedule** as an “excluded driver”;
- any person, including **you**, who:
 - was under the influence of alcohol and/or of any drug, or had a breath and/or blood alcohol level in excess of the legal limit prescribed by the law applying in the state or territory where the **accident** or **event** occurred; or
 - refuses to submit to any test to determine the level of alcohol and/or drugs in the blood when reasonably requested by the police.

This exclusion does not apply if **you** can prove that:

- **you** did not consent to that person driving **your vehicle** (or **substitute vehicle**); or
- **you** had no reason to suspect that they were affected by alcohol or drugs.

The vehicle

Your vehicle (or **substitute vehicle**) is:

- being used to:
 - carry a number of passengers; or
 - carry or tow a load;which is greater than relevant transport law allows or the **vehicle’s** manufacturer has specified.

This exclusion does not apply if **you** can prove that the fact that the **vehicle** was overloaded did not cause or contribute to the **liability, loss or damage**.

- being used while in an unsafe or unroadworthy condition.

This exclusion does not apply if **you** can prove that:

- **you** or the usual driver of **your vehicle** could not reasonably have detected the unsafe or unroadworthy condition; or
- the fact that the **vehicle** was in an unsafe or unroadworthy condition did not cause or contribute to the **liability, loss or damage**;
- being used wilfully and recklessly by **you** or by someone with **your** permission to drive it. For example, but not limited to, street racing or burnouts.

The usage of the vehicle

Your vehicle (or **substitute vehicle**) is being:

- used to carry passengers for hire, fare or reward (including paid ridesharing), except:
 - under a private pooling arrangement; or
 - where **we** have agreed in writing.
- let out on hire, unless:
 - operated by **you** or one of **your employees**, or it is mobile plant that **we** have agreed in writing to provide **dry hire** cover;
- used in any:
 - motor sport event, time trial or pace making;
 - trials, tests or experiments for reliability, speed or hill-climbing performance;
 - motor trade demonstration; or
 - being tested in preparation for any of the above;

except where **your vehicle** (or **substitute vehicle**) is being used in a registered charity rally and **we** have agreed to extend cover prior to the rally in writing upon application.

- used by **you** or by someone with **your** permission for an unlawful purpose or illegal activity (such as, but not limited to, a ram raid, carrying drugs or carrying stolen goods);
- used in the bulk transport of explosives, inflammable liquids or gases, toxic or corrosive liquids or gases.

This exclusion does not apply to vehicles where such carriage is a minor, incidental extension to their main operation;

- in underground mines, mining shafts or tunnels that are not public roads;
- on premises of an airport that handles scheduled commercial flights, provided that this exclusion only applies to areas within the airport that are restricted and not accessible to the general public; or
- on rails, tracks or cables.

Other exclusions

The **liability, loss or damage** was:

- from a bushfire, grassfire, storm, hail, flood or tsunami in the first 72 hours of cover, unless this **policy** began on the same day:
 - **you** purchased **your vehicle**; or
 - that another policy which provided equivalent insurance cover for the **vehicle** expired (but not when **you** cancelled the policy prior to its expiry date). Cover will only be provided up to the sums insured covered under the expired policy (any increase in sums insured will not be covered for these **events** for the first 72 hours specified);
- incurred anywhere outside of Australia, including its territorial waters;
- a result of or connected with any **act of terrorism** (regardless of whether any other cause or **event** was contributing concurrently or in any other sequence);
- a result of or connected with any action taken in controlling, preventing or suppressing any **act of terrorism**;
- caused by any war, hostilities or warlike operations (whether war be declared or not), rebellion, civil war, revolution, insurrection, military or usurped power, invasion, acts of foreign enemy, or popular or military uprising;

- caused by the solidification, settling or hardening of any goods carried by **your vehicle** or any container attached to **your vehicle**;
- to a drill rod or bit attached to **your vehicle** while the drill rod or bit is being used for its designed purpose. For the purposes of this exclusion, a drill rod or bit includes any part attaching to or forming part of the drill rod or bit, including but not limited to pipes, guides, filters, gaskets, plugs, caps, beacon housings, tool heads, nozzles or any other electronic mechanism;
- in any way related to the existence at any time of asbestos;

- any consequential loss including, but not limited to, any loss arising from not being able to use **your vehicle**, time taken to resolve a claim or settlement, interference with expectations of enjoyment or peace of mind, injury to feelings or humiliation or pain and suffering.

Subject to section 54 of the Insurance Contracts Act (Cth), the **liability, loss or damage** was:

- due to a fraudulent, deliberate, intentional, malicious or criminal act by **you** or a person acting with **your** express or implied consent;
- any illegal activity **you** or a person acting with **your** express or implied consent are involved in;

however the above two exclusions do not apply where **we** have reviewed the claim and are reasonably satisfied that a particular person covered by this **policy**, who has a financial interest in the insured property, in respect of the claimed incident:

- was a victim of domestic violence, coercion or a vulnerable person; and
- did not contribute to, assist, facilitate or cause it.

If so, and the incident otherwise meets the terms of this **policy**, **we** will settle the claim for that particular person, but only to the extent of their financial interest in the insured property or legal **liability**.

Sanctions

This policy does not provide any cover, pay any claim or provide any benefit under this Policy, to the extent that to do so may expose us to any sanction, prohibition or restriction under United Nations resolutions or any applicable trade or economic sanctions, laws or regulations of any country.

Cyber Incident

There is no cover under any section of this policy for any claims, loss, cost, damage, injury, death or legal liability, that is caused by, or arises from or in connection with a **cyber incident**.

However, **we** will cover physical loss of or damage to **your** vehicle and **your** legal liability arising out of the use of **your** vehicle, resulting from:

- damage to, failure of or unavailability of its **computer systems**, and/or
- loss of, corruption of, or loss of access to **electronic data**,

caused by a **cyber incident**, if such loss or damage is otherwise covered by this policy.

CLAIMS

About making a claim

How to make a claim

If **you** need to make a claim under this **policy**, please contact **your** intermediary to assist **you**.

Alternatively, if it is an emergency outside business hours or **you** would like to make a claim with **us** directly, please use one of the following methods to do so:

- phone **us** on 1300 253 692 or +61 2 9301 8018 (if dialling from overseas); or
- register **your** claim online at bzi.com.au/newclaim and **our** claims staff will contact **you**.

What you must do

If there is an incident which may result in **you** needing to claim under this **policy**, **you** must:

- ensure everyone is safe and if necessary, call for emergency services;
- take reasonable steps to prevent and limit any further **loss or damage**;
- contact the police promptly if:
 - **your vehicle** has been stolen or subject to **malicious damage**; or
 - **your vehicle** has been involved in an **accident** that has resulted in someone being injured;
 and provide **us** with the details of the police officer and police station where it was reported or in New South Wales, the event number;
- if **your vehicle** is involved in an **accident**, provide **us** with the full name and address of the person responsible, and if they were using a **vehicle**, then also its registration number. If someone else's property has been **damaged** by the user of **your vehicle**, then **you** must also take reasonable steps to attempt to obtain for **us** the name and address of the owner of that property;
- contact **us** as soon as practicable (see the 'How to make a claim' section above) and:
 - provide **us** with clear and complete information required for **us** to understand the circumstances of the **loss or damage** so **we** can lodge the claim and determine the most appropriate next action. **You** must provide **us** with the information, co-operation and assistance that **we** reasonably require. This may include attending one or more interviews at **our** reasonable direction;
 - tell **us** about **your** entitlement to any input tax credits (ITCs) for **your** insurance **premium** if **you** are registered for goods and services tax (GST) (see the 'Goods and Services Tax' section for more detail);

We will advise **you** of the next steps to ensure the claim can be handled as quickly as possible.

- notify **us** immediately if **you** receive or become aware of any of the following:
 - information or demands from other parties involved;
 - notices of prosecution or impending prosecution;
 - details of an inquest or official enquiry; or
 - other similar communications from anyone involved in the claimed incident.

A delay in advising **us** of any of these may result in a reduction of cover, including a reduction in cover for legal or other costs.

What you must not do

To ensure a claim under this **policy** is not reduced or denied by **us**, **you** or anyone else covered by this **policy** must not:

- admit to anyone that **you** or they were responsible for the **loss or damage**, or that the **accident** was **your** or their fault;

- negotiate, offer or promise any payments associated with the claim;
- accept any payment from anyone (including payment of any **excess** amount) unless **you** or they have **our** prior consent;
- agree to settle any claim without **our** prior consent;
- authorise or carry out any repairs without **our** authority, except emergency repairs which are required to allow **you** or them to safely drive **your vehicle** from the location of where the **loss or damage** occurred (please see the 'Emergency repairs' additional benefit);
- unless reasonable in the circumstances, such as for health or hygiene reasons, dispose of any property that has been **damaged**, or stolen property that is recovered; or
- make any false statements in connection with **your policy** or any claim **you** or they make.

If **you** or they do not follow these steps, **we** can reduce any claim by an amount that fairly represents the extent to which **our** interests have been prejudiced.

Please also read General Exclusions, to understand the very limited circumstances in which **we** may cover certain claims in connection with which false statements have been made.

After your claim is accepted

After **we** have paid a claim under **your policy**, either in total or in part, **we** have the right to take over any legal right of recovery which **you** or a claimant under this **policy** have. If **we** do this, it will be for **our** benefit and at **our** expense (if **you** have been fully reimbursed). **You** or they must provide **us** with reasonable co-operation. For example, **you** or they must not limit or restrict **your** rights of recovery against any third party without **our** prior written consent.

We have the right to keep any **damaged** property **we** have paid for under **your policy**, including any proceeds if the items are sold.

If **we** recover more than the amount **we** paid **you or the claimant under this policy**, **we** will pay **you** or them the balance after deducting any expenses incurred by **us** in undertaking the recovery.

If any person compensates **you** or them for the insured **damage** of any property for which **we** have paid a claim, **you** or they must reimburse **us** for that payment. **You** or they must do this promptly after the compensation payment is made.

Excesses

For each of the available covers, one or more of the **excesses** described below may apply.

If an **excess** applies to **your** claim, **you** will need to pay it to **us** or to one of **our preferred repairers** when **we** request it, and no later than when **we** are finalising the processing of **your** claim.

An **excess** is not an additional fee charged by **us** to allow a claim to be made on this **policy**. Rather, it is the uninsured first portion of a **loss** for which **you** are otherwise covered. That means it's the amount that **you** must contribute towards each claim.

For each **event**, or series of **events** arising from the one originating cause, **you** must pay in full the amount of the **excess** in respect of each and every **vehicle**.

Details of the **excess** amounts and circumstances in which they will be applied are set out in the definition of **excess** (see 'Definitions' section) and the relevant section of this PDS that explain the cover **we** provide.

In this **policy** the following **excesses** may apply for any given claim:

- basic **excess**;
- age **excess**;
- inexperienced driver **excess**;
- hydraulic lifting or tipping mechanism **excess**;
- convertible roof or open top **excess**.

The amount of each of the **excesses** that applies to **your policy** will be shown on **your policy schedule** or in this PDS. Please read the remainder of this section to understand when the **excesses** named below may apply.

In some situations, no **excess** will need to be paid (see 'When you do not have to pay an excess') or the amount of the **excess** will be reduced if certain conditions are met.

Basic excess

The basic **excess** applies to all claims on the **policy** unless specifically mentioned in the 'When you do not have to pay an excess' section. The basic **excess** you have chosen will be shown on **your policy schedule**.

Age excess

The age **excess** applies to any claim where the driver of **your vehicle** at the time of the incident that gave rise to the claim is under the age of 25. The age **excess** is payable in addition to the basic **excess** on the **policy**. **You** will not be required to pay the additional age **excess** when:

- the basic **excess** is not payable (see 'When you do not have to pay an excess'); or
- the claim is for one of the following (and the basic **excess** is payable):
 - **loss or damage** to only the windscreen, window glass, mirror glass or sunscreen glass;
 - **damage** caused to **your vehicle** while it was parked;
 - theft, attempted theft, vandalism or **malicious damage**;
 - hail, storm, flood or fire **damage**;
 - the driver of **your vehicle** was a learner driver accompanied by someone with an unrestricted Australian driver's licence; or
 - **You** can reasonably establish to **our** satisfaction that **you** did not consent to that person driving **your vehicle**.

Inexperienced driver excess

The inexperienced driver **excess** applies to any claim where the driver of **your vehicle** at the time of the incident that gave rise to the claim is aged 25 years or over and has been licensed anywhere in the world for less than two years to drive the class of **vehicle** being driven. The inexperienced driver **excess** is payable in addition to the basic **excess** on the **policy**. Please see below for scenarios where this additional **excess** may not be applied.

You will not be required to pay the additional inexperienced driver **excess** when:

- the basic **excess** is not payable (see 'When you do not have to pay an excess'); or
- the claim is for one of the following (and the basic **excess** is payable):
 - **loss or damage** to only the windscreen, window glass, mirror glass or sunscreen glass;
 - **damage** caused to **your vehicle** while it was parked;
 - theft, attempted theft, vandalism or **malicious damage**;
 - hail, storm, flood or fire **damage**;
 - the driver of **your vehicle** was a learner driver accompanied by someone with an unrestricted Australian driver's licence; or
 - **you** can reasonably establish to **our** satisfaction that **you** did not consent to that person driving **your vehicle**.

Hydraulic lifting or tipping mechanism excess

An additional **excess** of \$1,000 applies if any hydraulic lifting or tipping mechanism is operating on **your vehicle** or on an attachment to **your vehicle**.

Convertible roof or open top excess

An additional **excess** of \$500 applies if **your vehicle** has a convertible roof or open top and **you** claim for **damage** to or theft of the roof material or any property inside **your vehicle** that's covered by this **policy**. This additional **excess** does not apply if the **event** is a road **accident**.

When you do not have to pay an excess

This section is applicable only to 'Comprehensive' covered vehicles.

You will not be required to pay any **excess** if:

- **you** satisfy **us** that the **accident** which gave rise to the claim was not caused or contributed by the driver or user of **your vehicle**; and
- **you** provide **us** with the full name, address, and if they were using a **vehicle**, the registration number of their **vehicle**; and
- **your vehicle** was a sedan, station wagon, four wheel drive, panel van, utility or goods carrying **vehicle** under 5 tonne carrying capacity; and
- the amount of the claim exceeds **your** basic and age **excess** (if applicable) under the **policy**, unless **your** claim is only for a windscreen, window glass or a sunroof and **you** have added the 'Windscreen excess waiver' option to **your policy**.

In the event that the fault of the **accident** which gave rise to the claim is in dispute, **you** will be required to pay the **excess** in accordance with this **policy** and the **excess** will be refunded if **we** are successful in establishing that the user of your **vehicle** did not cause or contribute to the **accident**.

Preferred repairer excess rebate

If **your vehicle** requires repairs and **you** choose to have the repairs performed by one of **our** network of preferred repairers, then the **excess** **you** need to pay will be reduced by the **preferred repairer excess** rebate. The amount of the **preferred repairer excess** rebate will be shown on **your policy schedule**.

Some conditions, exclusions and limitations apply. Please refer to the 'Preferred repairer excess rebate' additional benefit for more details.

Choice of repairer

If **your vehicle** requires repairs under a claim on this **policy** which **we** have accepted:

- **we** can suggest one or more of **our preferred repairers** that would be best suited to carry out those repairs (if any are available near **your** location); or
- **you** can arrange for the repairs to be done by a repairer of **your** choice.

In either situation **we** will work closely with the repairer to manage the repair of **your vehicle**. However, if the **vehicle** is to be repaired by a repairer of **your** choice, then **we** can choose to:

- obtain a second quotation from a repairer chosen by **us** to determine the **reasonable repair costs** for **your vehicle**;
- authorise the repairs to be completed at **your** repairer of **your** choice;
- pay **you** an amount equal to the **reasonable repair costs** if **we** do not authorise the repairs through the repairer of **your** choice. Note that when **we** do not authorise the repairs through **your** chosen repairer, then **we** will not provide a lifetime guarantee on the repairs to **your vehicle** that they perform (see below for the 'Lifetime guarantee for repairs').

If **you** choose one of **our preferred repairers** to perform the repairs to **your vehicle** **you** will be eligible for the 'Preferred repairer excess rebate'.

Replacement parts, extras and accessories

If **we** authorise and manage the repairs to **your vehicle** through one of **our preferred repairers** or a repairer of **your** choice, **we** will authorise that repairer to:

- only use genuine manufacturer parts if the **vehicle** is under its standard new **vehicle** warranty period (but not under extended warranty and not in relation to windscreens or window glass – see 'Windscreen or window glass repairs' below);
- otherwise use:
 - new parts where reasonably available; or
 - recycled or re-conditions parts;

in each case the parts used will meet Australian Design Rules requirements and will be consistent with the age and condition of **your vehicle**.

The most **we** will pay for a spare part, extra or accessory is:

- the maker's last list price in Australia, being a price that would be available for **you** to purchase the item for; or if it is not available in Australia:
 - the cost of the part, extra or accessory and the cost of freight from the nearest reasonable source of supply; or
 - the cost of a similar comparable spare part, extra or accessory;
- plus an amount equal to the reasonable cost for fitting it to **your vehicle**.

Windscreen or window glass repairs

If **your vehicle** requires repairs to a windscreen, window glass, mirror glass or sunroof glass, **we** may replace the glass with glass that was not produced by the original manufacturer but which will meet Australian Design Rules and not affect the safety or structural integrity of **your vehicle**.

What happens after you make a claim

Settling or defending your claim

We will be solely responsible for determining whether **you** or the driver or user of **your vehicle** contributed to the cause of the **accident** or not.

If **we** agree **you** have a claim, only **we** have the right to:

- make or accept any offer or payment, or in any other way admit that **you** or the driver or user of **your vehicle** are liable;
- settle, or attempt to settle, any claim; or
- defend any claim.

Assisting us with your claim

You or the claimant under this **policy** must reasonably assist **us** with managing, settling or defending the claim, including:

- providing **us** with the information, co-operation and assistance that **we** reasonably require. That may include attending one or more interviews at **our** reasonable direction;
- send **us** copies of any notice, letter, claim, writ or summons promptly after **you** or the claimant receive it; and
- co-operate with **us** in defending or settling the claim, or in recovering any amount payable under this **policy** from another person (see below).

You or the claimant under this **policy** must assist **us** even after the claim has been paid, for example if legal proceedings arise as a result of the incident giving rise to the claim.

If **you** or the claimant under this **policy** fail to reasonably assist **us** with the claim, **we** may reduce or refuse to pay it.

Our rights of recovery

After **we** have paid a claim under **your policy**, either in total or in part, **we** have the right to take over any legal right of recovery which **you** have. If **we** do this, it will be for **our** benefit and at **our** expense (if **you** have been fully reimbursed) and **we** have full discretion in the conduct, settlement or defence of any claim **we** bring in **your** name.

You must not limit or restrict **your** rights of recovery against any **third party** without **our** prior written consent. If **you** prevent **our** right to recover by agreeing not to seek compensation from a person who is liable to compensate **you** for any **liability, loss or damage** that is covered under this **policy**, **we** will not provide **you** with cover under this **policy** for that **liability, loss or damage**.

If **we** recover more than the amount **we** paid **you**, **we** will pay **you** the balance after deducting any expenses incurred by **us** in undertaking the recovery.

Authorising repairs

You cannot authorise repairs to **your vehicle** without **our** authority, except emergency repairs which are required to allow **you** to safely drive **your vehicle** from the location of where the **loss or damage** occurred (please see the 'Emergency repairs' additional benefit).

Prior to **us** making a decision about **your** claim and any repairs that may be required **we** may need to arrange a motor vehicle assessor to inspect **your vehicle**. **We** will make the necessary arrangements with **you** to allow this to happen. **You** must allow such an inspection, including arranging access to **your vehicle**, for example when it is at a repairer that **you** would like to repair it.

Choosing a repairer

This **policy** provides options about how **you** can choose a repairer to repair **your vehicle** if **we** accept a claim under this **policy** for such repairs, including using one of **our preferred repairers** or arranging for the repairs to be completed by a repairer of **your** choice.

Please refer to the 'Choosing a repairer' section for more details.

When we will pay the reasonable cost of repairing your vehicle

In the following situations, **we'll** pay the reasonable cost of repairing **your vehicle**:

- if **we** cannot agree with **you** about the assessment of the required repairs or their value;
- if the parts required for the repair of **your vehicle** easily available;
- if **we** identify a concern with the pre-claim condition of **your vehicle**;
- if **we** identify a concern with the way **your vehicle** is to be repaired or the timing of that repair; or
- If **you** have chosen the repairer of **your vehicle** but we cannot agree with **you** or them about the repair quote or the way **your vehicle** is to be repaired.

In the above situations, **we** will pay the person who owns **your vehicle** the reasonable cost of repairs. This is a cost **we** determine taking into account the fair cost of repairing **your vehicle** in that location. **We** may require **you** to organise a quote from another licenced vehicle repairer or **we** may also require **your vehicle** to be moved elsewhere to be quoted. If **we** pay the reasonable cost of **your vehicle's** repairs, then **you'll** need to organise the repairs to **your vehicle** yourself, and **you'll** also need to pay the applicable **excess** to **us**.

Lifetime guarantee for repairs

If **we** authorise the repairs to **your vehicle** through one of **our preferred repairers**, or a repairer of **your** choice and we manage those repairs to completion, then **we** will guarantee the repairs against any defect due to workmanship or faulty material for as long as **you** own **your vehicle**.

If **we** do not authorise the repairs to **your vehicle** through the repairer of **your** choice or manage the repairs at a repairer of **your** choice to completion, then **we** will not provide a lifetime guarantee for the repairs.

Sub-contracting repairs

When **we** authorise a repairer to repair **your vehicle** that repairer may sub-contract some of the repairs to another repairer of their choice. This will usually occur when the repairer is unable to perform the repairs itself because they require the services of a specialist repairer or supplier.

Salvage of your vehicle

If **we** pay a claim for the **total loss** of **your vehicle**, the wreckage of **your vehicle** (including any **modifications**, **attachments** or **non-standard** noted on **your policy schedule**) will become **our** property. **We** will keep any proceeds from the sale of the wreckage.

Premiums following a total loss

If **your** vehicle has been deemed a total loss and **we** have agreed to pay **you** the **agreed value** or **market value** of **your vehicle**:

- any unpaid **premium** for the **period of insurance** that the claim occurred in will be deducted from the claim payment (except if **you** are paying by instalments and **we** are replacing **your vehicle** – see below);
- **we** will not return the **premium** associated with the unexpired portion of the **period of insurance**.

When we may refuse a claim

To ensure **you** understand any situations in which a claim under this **policy** may be refused, it is important that **you** read and understand the following two sections of the PDS:

- the 'General terms and conditions' section which sets out **your** obligations under this **policy** with which **you** need to comply; and
- the 'General exclusions' section which lists situations where **we** may refuse to pay **your** claim.

Hire car arrangements

If **we** have provided **you** a hire car under an additional benefit or optional cover under this **policy**, **you**:

- may be required to enter a hire car agreement directly with the provider;
- are responsible for all the hire car's running costs and extras, including paying the deposit, security bond, fuel, any upgrade costs, and the cost of reducing the standard hire car **excess**;
- are responsible for any penalties or fines (such as parking fines or speeding infringements) incurred while using the hire car;
- may be provided with certain insurance cover for the hire car under this **policy** – please refer to the additional benefit 'Insurance cover for hire car' for more details;
- must arrange for and pay for all hire car costs (including the cost of its insurance) for any period outside the period covered under a claim **we** have accepted under this **policy**;
- will be required to refund any costs **we** incur with respect to a hire car if **we** validly refuse to accept **your** claim, or repay **us** those costs **we** incur with respect to a hire car if **you** decide to withdraw **your** claim.

Claims examples

Below are some examples of claim scenarios that are included here to show how a claim payment might typically be calculated. These examples are a guide only and do not cover all of the potential scenarios or all benefits that may be paid under this **policy**. They do not form part of the terms and conditions of **your policy**. Unless indicated otherwise, all dollar figures shown in the below claims examples, except for **excesses**, are GST exclusive and are in Australian dollars. Each example also assumes the claimant has claimed full input tax credits for the GST collected on their premium (that is, the claimant holds a 100% input tax credit entitlement under GST law).

BZI will determine actual claims payments on an individual basis taking into consideration the facts applicable to the claim and **our** assessment of any **liability, loss or damage**, as well as the coverage, exclusions and **excesses** set out in this **policy** and on **your policy schedule**.

Example 1 – partial loss following an at-fault accident

You have **your vehicle** insured under a BZI Commercial Motor Insurance **policy**, with the following details:

- Cover type: Comprehensive
- Sum insured type: Agreed value
- Insured amount: \$26,000 excluding GST
- Basic **excess**: \$1,000
- Optional covers: Hire **vehicle** following at-fault **accident**

Your vehicle is involved in an **accident** that is the fault of the driver of **your vehicle**. The car is safe to drive after the **accident** and does not require any emergency repairs.

We assess **your vehicle** and determine that it will cost \$4,000 to repair.

We advise that one of **our preferred repairer** network is close to where **you** live and **you** agree to them performing the repairs. The repairer estimates that the car will take 5 days to repair, during which time **you** will be entitled to a hire car (because **you** purchased the optional 'Hire vehicle following at-fault accident') and **you** tell **us** that **you** would like to use one of **our** providers for this.

HOW MUCH WE PAY		EXPLANATION
Repair costs	\$4,000	We will normally pay this directly to the repairer.
Less basic excess	-\$1,000	The basic excess is \$1,000 which is payable given the accident was the fault of the driver of your vehicle .
	+\$200	However, because you have chosen to use one of our preferred repairers , we reduce this amount by \$200.
Plus 'Preferred repairer excess rebate'	-\$800	Therefore, an amount of \$800 needs to be paid and normally we will ask you to pay this directly to the repairer.
Two taxi fares from and to repairer	2 x \$40 \$80	You take a taxi from the repairer to the hire car provider and back again when your vehicle is ready to collect. We reimburse you for these two trips.
Total claim payment	\$3,280	
Plus hire car costs		We will pay the hire car provider directly for the 5-day period while your vehicle was being repaired.

Example 2 – total loss with agreed value

You have **your vehicle** insured under a BZI Commercial Motor Insurance **policy**, with the following details:

- Cover type: Comprehensive
- Sum insured type: **Agreed value**
- Insured amount: \$41,000 excluding GST
- Specified **non-standard accessory**: \$1,000 Canopy
- Basic **excess**: \$600

Your vehicle is stolen and subsequently recovered burnt out 3 days later. **We** assess **your vehicle** and determine that given the **damage** it has suffered it is a **total loss**. **Your vehicle** was not under finance.

In **your vehicle** at the time it was stolen was a child seat and backpack containing a laptop, neither of which have been recovered.

During the period from **us** accepting **your** claim to **us** finalising **your** claim **you** agree to a hire car from **our** provider under the 'Hire vehicle following fire, theft or not-at-fault accident' additional benefit.

HOW MUCH WE PAY		EXPLANATION
Total loss payment	\$42,000	The agreed value for the vehicle given it is a total loss . The agreed value is the insured amount of the vehicle specified in the policy schedule of \$41,000 plus the canopy (a non-standard accessory) specified in the policy schedule for \$1,000.
Unspecified accessories	\$800	Your vehicle had a non-standard reverse-parking camera installed. This was not specified in the policy schedule but is covered under the 'Unspecified modifications, attachments or non-standard accessories' additional benefit (as less than \$5,000 and 25% of the agreed value).
Child seat	\$400	We determine that it will cost \$400 to replace the child seat.
Personal effects	\$1,200	The laptop was worth \$1,200 which is less than the maximum we will pay for any item under the 'Personal effects and tools' additional benefit of \$2,000.
Less excess payable	-\$600	Only the basic excess applies, which is deducted from the settlement amount.
Less outstanding premium	\$0	The annual premium for this period of insurance was \$1,400 and has been paid. The claim happens halfway through the period of insurance however we do not return the unexpired portion of the premium . If the premium was being paid by instalments then any future instalments within the period of insurance in which the claimed incident occurred would be included here.
Total claim payment	\$43,800	This amount would normally be paid directly to you in a total loss situation.
Plus hire car costs		We will pay the hire car provider directly for the period up until the claim is settled.

Example 3 – total loss with sum insured

You have **your vehicle** insured under a BZI Commercial Motor Insurance **policy**, with the following details:

- Cover type: Comprehensive
- **Sum Insured Type:** **Sum Insured**
- Insured amount: \$20,000 excluding GST
- Basic **excess**: \$600

Your vehicle is involved in an **accident** that is the fault of the driver of **your vehicle**. We assess **your vehicle** and determine that given the **damage** it has suffered it is a **total loss**. **Your vehicle** was not under finance.

HOW MUCH WE PAY		EXPLANATION
Insured amount	\$20,000	This is the amount you declared as the replacement value of your vehicle and is shown on your policy schedule .
Vehicle assessed value	\$15,000	This is the current market value of the vehicle , the amount it would cost to replace your vehicle with a vehicle of the same make, model, age and condition immediately before the loss or damage . Market value includes vehicle registration and compulsory third party insurance, but does not include stamp duty transfer, dealer warranty costs or transfer fees.
Total loss payment	\$15,000	The market value for the vehicle given it is a total loss will be paid. The vehicle sum insured declared is more than the current market value for the vehicle . In this case, in accordance with the definition of Sum Insured - payment will be made on the sum insured or the market value , whichever is the lesser.
Unspecified accessories	N/A	Your vehicle was a trailer and did not have any modifications, attachments or non-standard accessories .
Less excess payable	-\$600	Only the basic excess applies, which is deducted from the settlement amount.
Less outstanding premium	\$0	The annual premium for this period of insurance was \$1,400 and has been paid. The claim happens halfway through the period of insurance however we do not return the unexpired portion of the premium . If the premium was being paid by instalments then any future instalments within the period of insurance in which the claimed incident occurred would be included here.
Total claim payment	\$14,400	This amount would normally be paid directly to you in a total loss situation.

Example 4 – total loss with new vehicle option

If the circumstances were the same as in example 2, however **your vehicle** was less than 3 years old from the date it was first registered, then under the 'New-for-old replacement following total loss' additional benefit **you** would be entitled to a new **vehicle** of the same make, model and series (or similar if it is no longer available), including similar insured accessories, modifications, tools and spare parts (subject to local availability).

We would also pay any on-road costs associated with the replacement **vehicle**, including:

- 12 months registration cost;
- 12 months compulsory **third party** insurance cost;
- any initial statutory charges; and
- any dealer delivery charge.

We would provide **you** a payment of \$1,600 for the child seat and laptop (as in example 2).

You would need to pay the **excess** of \$600 to the dealership before they provide **you** with the replacement **vehicle**.

Your new replacement **vehicle** would be covered under this **policy** until the end of the **period of insurance** for no additional **premium**, however **you** would need to continue to pay the instalments for the rest of the **period of insurance** if that was the method by which **you** were paying **your premium**.

Example 5 – legal liability for damage to a third party's property

You have **your vehicle** insured under a BZI Commercial Motor Insurance **policy**, with the following details:

- Cover type: **Third Party Only**
- Basic **excess**: \$500
- Age **excess** \$1,250

A driver of **your vehicle** who is under 25 years of age is involved in an **accident** in **your vehicle**, and the **accident** is their fault. The **damage** to the **third party's vehicle** will cost \$3,800 to repair and they will also be entitled to a hire car for 5 days at \$80 per day.

HOW MUCH WE PAY		EXPLANATION
Third party repair costs	\$3,800	We will normally pay this to the third party claimant.
Third party hire car costs	(5 x \$80) \$400	We will normally pay this to the third party claimant.
Less excess payable: <ul style="list-style-type: none">• Basic excess• Age excess	-\$500 -\$1,250	Because the driver of your vehicle was under 25 years old, in addition to the basic excess of \$500 you will also need to pay us the age excess of \$1,250.
Total claim payment	\$2,450	We will pay this amount as well as the value of the excesses paid by you to the third party claimant (that is, \$4,200 in total).

Example 6 – emergency repairs and accommodation after a not-at-fault claim

You have **your vehicle** insured under a BZI Commercial Motor Insurance **policy**, with the following details:

- Cover type: Comprehensive
- **Sum insured type:** **Market value**
- Basic **excess:** \$1,000
- Optional covers: None

While travelling for business **purposes** in **your vehicle** **you** are involved in an **accident** where the driver of the other **vehicle** was at fault. At the scene of the **accident** **you** capture the name, address, registration plate and insurance details of the other driver and provide them to **us** as part of notifying **us** of the claim.

In order to drive **your vehicle** back home **you** need some emergency repairs in the nearest town (which is 300km from where **you** live) and these emergency repairs can only be done the following morning.

Once **you** return home, **we** assess **your vehicle** and determine that the repairs will cost \$7,000 to repair and **your vehicle** is not considered a **total loss** under **your policy** and is safe to repair. **You** inform **us** that **you** would like to use one of **our preferred repairer** network to perform the repairs and will require a hire car while it is in being repaired and **you** will arrange that directly with a hire car provider that **we** agree.

HOW MUCH WE PAY		EXPLANATION
Emergency repair costs	\$300	This is below the limit of \$3,000 for the 'Emergency repairs' additional benefit so we will pay this in full.
Emergency accommodation costs	\$180	Because the journey cannot be completed within the day, we will pay for the night's accommodation in the local town.
Repair costs	\$7,000	We will pay this directly to our preferred repairer .
Hire car costs	7 days x \$80 = \$560	We will reimburse you for the hire vehicle costs under the 'Hire vehicle following fire, theft or not-at-fault accident' additional benefit.
Less excess payable:	\$0	No excess is payable because you were not at fault and able to provide us with the details of the other driver.
Total claim payment	\$8,040
