About this insurance

Our Home Building and Contents Insurance Listed Events Base policy covers **your buildings or your contents** for **listed events**. **You** can choose to take out cover for **your buildings**, cover for **your contents**, or cover for both **buildings and contents**.

We also provide cover under specific conditions for a range of incidents and additional benefits and covers, including for **your** legal liability. **You** can also add 'optional covers' to **your** policy to ensure valuable items are covered for their full value or are appropriately covered away from the **insured address** ('Valuable items').

For a summary of benefits available under this policy, please see the 'Benefits summary' section.

To find out what this policy covers please read this PDS to ensure **you** have the cover **you** need.

How to apply for this policy

Throughout this document when **we** are referring to **your** insurance broker or adviser, **we** simply refer to them as **your** intermediary.

If **you** are interested in buying this product or have any inquiries about it, **you** should contact **your** intermediary who should be able to provide **you** with all the information and assistance **you** require.

If **you** are not satisfied with the information provided by **your** intermediary, **you** can contact **us** at the address or telephone number shown on the back cover of this document. However, **we** are only able to provide factual information or general advice about the product. **We** do not give advice on whether the product is appropriate for **your** personal objectives, needs or financial situation. Therefore, **you** should carefully read this document before deciding whether to purchase this product or not.

Cooling-off period

After **you** apply for (or renew) a **BZI** product and **you** have received the PDS, **you** have **30 days** to check that the policy meets **your** needs. Within this time **you** may cancel the policy and receive a full refund of any **premiums** paid (less any non-refundable government charges, taxes and levies that **we** have paid and are not recoverable), unless:

- **you** have made a claim or become entitled to make a claim under **your** policy; or
- **you** have exercised any right or power **you** have in respect of **your** policy or the policy has ended.

Your request will need to be forwarded to **us** via **your** intermediary.

You can cancel **your** policy at any time after the cooling-off period. Please refer to 'Cancellation' under the 'General terms and conditions' section beginning on Page 56.

Our contract with you

You must pay **us** or **your** intermediary the agreed **premium** by the date due, to ensure there is cover under this policy. If **we** accept a claim under this policy, **you** will always need to pay **us** the **premium** due. **Your** policy is a contract of insurance between **you** and the **insurer**.

Your policy is made up of:

- This PDS which incorporates the policy wording beginning with the 'Who we cover' section on page 24. This is common to all customers who buy **our** Blue Zebra Insurance Home Buildings & Contents Listed Events Base product. It tells **you** what is covered, sets out the claims procedures, exclusions and other terms and conditions of cover;
- **Your policy schedule** provided by **us** for the relevant **period of insurance**. The **policy schedule** is a separate document unique to **you**, which shows the insurance details relevant to **you**. It includes any agreed changes, exclusions, terms and conditions made to suit **your** individual circumstances; and
- Any other written change otherwise advised by **us** in writing (such as an endorsement or a supplementary PDS). These written changes vary or modify the above documents.

This document is also the PDS for any offer of renewal **we** may make, unless **we** tell **you** otherwise. Please keep **your** policy documents in a safe place.

Unless stated otherwise in the policy, if there is more than one insured on the policy, then anything which any of the insureds says, does or omits to advise to **us**, applies to and affects the rights of all of the insureds under this policy or any claim made under it. **We** only need a request from one insured to change or cancel **your** policy, or to tell **us** where an approved claim payment should be paid.

Significant issues to consider

Insurance contracts contain policy exclusions, policy terms and conditions and policy limits and sub-limits that **you** should be aware of when deciding to purchase **our** product. These things may affect the amount of the payment that **we** will make under a claim on this policy.

We may express some policy terms, policy limits or sub-limits as being either a dollar amount or a percentage of **your** sum insured shown in **your policy schedule** or some other amount, factor or item specified in the relevant clause or this document.

You should be aware of the following matters in considering whether this product is suitable for **your** needs.

Exclusion for new business policies

There is no cover under this policy for bushfire, grassfire, **storm, flood** or tsunami in the first 72 hours from the start date shown on **your policy schedule**. Very limited exceptions apply. For full details see the 'General exclusions' section beginning on page 58.

Excesses can apply

For each of the available covers, an **excess** may apply. Please refer to the 'Excesses' section for more details.

Exclusions

In some circumstances, this policy contains a number of exclusions, some of which are common in insurance policies. Before making a decision about whether to purchase this policy, **you** should read the full details of all relevant exclusions, which are contained in this PDS. Some may not be relevant to **you**, however **you** should make yourself aware of all the exclusions that apply in all sections of this PDS.

Please refer to the 'General exclusions' section for the specific details.

General terms and conditions

General terms and conditions applicable to all cover provided under this policy set out **your** obligations with which **you** need to comply. Please refer to the 'General terms and conditions' section beginning on page 56.

In addition, **you** should make yourself aware of all the terms and conditions that apply to the various covers detailed within this policy. If **you** or someone else (to the extent they would normally be covered under this policy) claim on this policy and do not meet them, **we** may be able to decline or reduce the claim payment or cancel **your** policy.

Make sure you have the cover you need

You should discuss with **your** intermediary the appropriate amounts and risks for which **you** need to be insured. If **you** do not adequately insure for the relevant risks **you** may have to bear any uninsured losses yourself.

You should also advise **your** intermediary to notify **us** as soon as possible when **your** circumstances change which are relevant to **your** policy. For instance, **you** may need to consider increasing **your** sum insured if **you** purchase expensive items of **contents** like jewellery or make renovations or alterations to **your buildings**. If **you** do not tell **your** intermediary of these changes, in the event of **you** suffering a loss or damage, **your** sum insured may not be adequate to cover **your** loss, or **you** may not even have any cover under **your** policy.

This policy is not a substitute for home maintenance

If purchased, this Blue Zebra Insurance Home Buildings & Contents Listed Events Base product provides insurance cover for certain **listed events** to **your buildings** and/or **contents** and certain legal liability cover.

Home insurance policies are designed to protect their purchasers against the potential risk of covered events, for covered property. Property insurance is not intended or designed to serve as a substitute for good maintenance of **your buildings** or **contents**.

If purchased, **we** insure **your buildings** and/or **contents** on the condition that they are in good condition, and **we** may cancel **your** policy or tell **you** that **we** will not offer to renew it if that is not the case. Subject to Australian insurance law, this policy does not cover certain types of damage or loss, for example wear and tear, gradual deterioration or property which develops an inherent defect or fault due to its design.

You should read this PDS in full to understand what it does and does not cover, and the obligations **you** or anyone claiming under this policy have. If **you** have any questions about the cover this policy provides, please ask **your** intermediary to ask **us**, and **we** will answer them.

When answering our questions

Under Australian insurance law **you** have a duty to take reasonable care not to make a misrepresentation when answering **our** questions. This means that when getting a quote, buying or amending a policy, **you** need to answer **our** questions accurately and completely.

This duty applies in the same way to someone answering **our** questions on **your** behalf, as well as anyone else who answers **our** questions and is to be covered by this policy.

If **we** send **you** a renewal invitation **you** also need to check if all of the information on it is accurate and complete.

If **our** questions are not answered accurately and completely, **we** may reduce or not pay a claim, cancel **your** policy or treat it as if it never existed.

Renewal

At least 14 days before the policy expires **we** will provide **you** a notice, offering **our** renewal terms, or explaining the reason for not renewing **your** policy. If **we** offer to renew **your** policy, **you** are not obliged to renew the policy with **us**. **We** encourage **you** to check the new amounts to make sure they continue to cover **your** needs.

You must check all the information recorded in **our** offer of renewal and tell **us** immediately if any of it is inaccurate or incomplete. This includes any changes that have occurred during the term of **your** policy; for example, changes to the insured property, the address where the insured property is kept, and the people covered by **your** policy.

Any changes to the information in **our** offer of renewal may cause **us** to change **our** decision to offer renewal of **your** policy or the terms on which **we** offer such renewal. If **you** do not tell **us**, **we** may reduce or not pay a claim, cancel **your** policy or treat it as if it never existed.

If **your** nominated method of paying **your premium** is by direct debit, and **you** decide to renew this policy, then **we** will continue to debit **your** nominated bank account or credit card for the remainder of the **period of insurance**. If **you** pay **your premium** annually, **you** must pay the full amount by the due date shown on **your** renewal invitation in order for cover to continue into the renewed **period of insurance**.

This PDS (together with any amendments, updates or endorsements that **we** give **you** in writing) also applies for any offer of renewal **we** make, unless **we** tell **you** otherwise or provide **you** with a new updated PDS.

Your cooling-off period applies on each renewal. See page 5 for details.

Each renewal is a separate contract and not an extension of the prior contract.

How we determine your premium

The amount of **your premium** is determined by taking a number of different matters into account.

It is important for **you** to know in particular that the **premium** varies depending on the information **we** received from **you** about the risk to be covered by **us**. The higher the risk is, the higher the **premium** will be. Based on **our** experience and expertise **we** decide what factors increase **our** risk and how they should impact on the **premium**. Each insurer can do this differently.

In this product the following are some of the factors that are taken into consideration when determining the appropriate **premium**:

- **your** nominated sum insured;
- where **you** live (i.e. the location of the **insured address**);
- the materials used in the construction of **your buildings**;
- what **your buildings** are used for (e.g. private residence, holiday home, rental property);
- security measures used for **your buildings** and/or **contents**;
- whether **you** have chosen any optional covers or not;
- whether **you** choose to pay **your premium** annually or by instalments;
- the **excess you** have chosen for **your buildings** and/or **contents**. If **you** elect to take a higher **excess** in the event of a claim, this will reduce the cost of **your premium**. **Your** intermediary can supply **you** with quotes based on differing amounts of **excesses**.

Your intermediary can arrange for **you** to be provided with a quote for a **premium**. **You** will need to give relevant personal details to **your** intermediary at this time to enable **us** to calculate **your premium**.

Another important thing to know is that **your premium** also includes amounts that take into account **our** obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Insurance Duty, Goods and Services Tax (GST) and Emergency Services Levy) in relation to **your** policy. These amounts will be set out separately on **your policy schedule** as part of the total **premium** payable.

Also, minimum **premiums** may apply. Any discounts or entitlements may be subject to rounding and only apply to the extent any minimum **premium** is not reached.

BZI may also add an agency fee to the **premium** that is charged, and this will be shown on **your policy schedule**. The agency fee will only be refunded when the policy is cancelled within the cooling-off period (see page 5) or where the cancellation is effective from the start of the **period of insurance**.

How to pay your premium

There are three ways that **you** can pay **your premium**:

- an annual payment to **your** intermediary;
- if provided, an annual payment directly to **BZI** from **your** credit card or from **your** bank account which can be arranged by **you** or **your** intermediary; or
- if provided, in monthly instalments by automatic deduction from **your** credit card or from **your** bank account which can be arranged by **you** or **your** intermediary.

You must pay **your premium** in the manner set out on **your policy schedule**.

How to pay your premium via your intermediary

If **you** are paying **your** annual **premium** via **your** intermediary, **you** must pay them by the due date shown on **your policy schedule**. If **your premium** is unpaid after the due date **we** may be entitled to reduce or refuse to pay a claim or cancel this policy.

How to pay your annual premium directly to BZI

If **you** are paying **your** annual **premium** directly to **BZI**, **we** will deduct **your** annual **premium** from **your** nominated bank account or credit card within three business days after the day the details of the credit card or bank account have been provided to **us**.

If an attempt to deduct **your** annual **premium** is dishonoured for any reason, **we** will notify **you** and/or **your** intermediary and provide details on:

- any actions required by **you**; and
- when **we** will next attempt to deduct the annual **premium**.

After three unsuccessful attempts to deduct the annual **premium**, **we** may cancel this policy. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and when the cancellation will become effective.

How to pay your instalment premium

We will deduct **your** instalment **premium** each month from **your** nominated bank account or credit card on the day of the month shown on **your policy schedule** as **your** payment date (or the next business day if **your** payment date falls on a weekend or public holiday in any given month).

When **you** renew **your** policy, **we** will continue to deduct **your** instalment **premiums** for **your** renewed policy on the same day of the month, unless **you** tell **us** otherwise.

Further details of **your** instalments are shown on **your policy schedule**.

If any instalment **premium** is dishonoured for any reason, **we** will notify **you** and/or **your** intermediary and provide details on:

- any actions required by **you**; and
- when **we** will next attempt to deduct that instalment **premium**.

After three unsuccessful attempts to deduct a given instalment **premium**, **we** may cancel this policy. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and the date of cancellation.

In the event that **you** fail to make any of **your** instalment **premium** payments when they are due, **you** may be responsible for any administration or dishonour fees which may be charged by **your** financial institution.

We are entitled to deduct any unpaid **premium** instalments from any amount **we** pay under a total loss claim.

We may not pay a claim under this policy if, at the time the claim occurred, any instalment of **premium** has remained unpaid for 14 days or more.

You must tell **us** if **your** nominated bank account or credit card details change. To ensure **your** cover is not affected, **you** must do this no later than 7 days before **your** next instalment is due.

If **your** policy has been included as part of a 'package' of **BZI** policies then the instalment **premiums** for all policies on that package will be combined and one instalment will be collected on each instalment date. The details of the combined instalment schedule for the package will be shown on **your** package schedule which **your** intermediary should provide to **you**.

If an instalment for a package is dishonoured for any reason then the approach detailed above will apply to all policies in that package. In particular, after three unsuccessful attempts to deduct a given instalment **premium** for a package, **we** may cancel all policies in the package. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and the date of cancellation.

About your sum insured

Your buildings sum insured and/or **contents** sum insured are shown on **your policy schedule**. For **contents** cover the general **contents** sum insured on **your policy schedule** represents the nominated sum insured for **contents** excluding any specified valuable items added under the optional cover 'Valuable items' which if purchased will be shown separately.

Please check that **your** sum insureds are adequate to cover **you** for the replacement value of **your buildings** and/or **contents**, and review them whenever **your** circumstances change (for example, after renovations to **your buildings** or purchasing new **contents** items). If **you** have any questions regarding the adequacy of **your** sum insureds, please contact **your** intermediary.

The sum insured values that **you** choose should exclude GST.

During each **period of insurance** the sum insured for **buildings** and/or general **contents** will be automatically increased by 0.5% per month (6% per annum) until the end of the **period of insurance**. The sum insureds after this adjustment represent the most **you** can claim for any one incident unless stated otherwise in this PDS. This is prior to the application of any 'Additional benefits' or 'Additional covers' which may be applicable to the claim.

Your buildings sum insured and/or general **contents** sum insured will be automatically adjusted at renewal, if renewal is offered, to take into account various factors including inflationary trends. If **you** need to change the value associated with any specified Valuable items, please inform **your** intermediary.

About making a claim

How to make a claim

If **you** need to make a claim under this policy, please contact **your** intermediary to assist **you** in lodging the claim with **us**.

Alternatively, if it is an emergency outside business hours or **you** would like to lodge the claim with **us** directly, please use one of the following methods to do so:

- phone **us** on 1300 253 692 or +61 2 9301 8018 (if dialling from overseas); or
- register **your** claim online at www.bzi.com.au/newclaim and **our** claims staff will contact **you**.

What you must do

As soon as **you** are aware of any circumstances that are likely to result in a claim under this policy, **you** must:

- take any reasonable steps to reduce the damage and avoid any further loss;
- inform the police promptly if property is lost, stolen or subject to **malicious damage** or vandalism; and/or
- keep any damaged property for which **you** intend to make a claim (so that **we** may inspect it). If **your** claim is for a total loss, **we** will give fair consideration to any extenuating circumstances.

What you must not do

If **you** believe that **you** are likely to make a claim under this policy, **you** must not:

- carry out any repairs without **our** authority, except in the case of an emergency where **you** are required to prevent further loss or damage to **your buildings** and/or **contents** as a result of that emergency, in which case **we** give **you** the authority to arrange reasonable emergency repairs on **our** behalf;
- admit responsibility for any loss, damage or destruction, if another person's property is involved;
- make any false statements in connection with **your** policy or any claim **you** make;
- negotiate a reduced settlement with another person for damage they have caused.

If **you** do not follow these steps, **we** can reduce any claim by an amount that fairly represents the extent to which **our** interests have been prejudiced.

Excesses

For each of the available covers, an **excess** may apply. An **excess** is not an additional fee charged by **us** at the time of making a claim. Rather, it is the uninsured first portion of a loss for which **you** are otherwise covered for under the policy's terms.

Details of the **excess** amounts and circumstances in which they will be applied are set out in the definition of **Excess** (see 'Definitions' section) and the relevant section of this PDS that explains the cover **we** provide.

If a single event results in claims to both **buildings** and **contents**, **you** will only be required to pay one amount of basic **excess** – that which is the greater of the applicable **excesses**.

The amount of any **excess you** will be required to pay will appear on **your policy schedule**.

If an **excess** applies to **your** claim, **you** will need to pay it to **us** when **we** request it, and no later than when **we** are finalising the processing of **your** claim.

How we settle your claim - buildings

When **your buildings** are destroyed or damaged during the **period of insurance** we will ordinarily pay for the cost of repair or replacement with new material.

We may not always be able to repair or replace **your buildings**, for example:

- if the materials needed for the repair or rebuild are not readily available;
- if the repair or rebuilding cannot commence for a significant amount of time; for example, due to availability of service providers;
- if the pre-incident condition of the **buildings** prevents **us** from repairing or rebuilding them; or
- if the event insured under this policy makes the land unsafe to build on; for example, after an earthquake; or
- if any **buildings** or any part thereof (including subsequent alterations or renovations) did not comply with local government or other statutory requirements at the time of construction (that **you** could have reasonably been expected to be aware of), for example, the **building** was never approved by council or correctly certified, or renovations were not built in line with the relevant building code at the time.

In such situations, **we** will pay the **Cash settlement value** in respect of **your** claim or part of it.

If **you** request a cash settlement instead of the repair or replacement of **your buildings**, **we** will have regard to the circumstances of **your** claim and consider any preference **you** may have. If **we** agree, **we** will pay the **Cash settlement value**. For example, when **you** confirm to **us** that **you** will not rebuild **your** home.

If the damage to **your buildings** requires them to be rebuilt, and **you** tell **us** **you** would prefer to rebuild at a different site and **we** agree to manage **your** claim on that basis, then **our** agreement will be on the following conditions:

- **we** will not pay more than the cost that **we** would have incurred if reinstatement of **your buildings** that are damaged had taken place at the location where the damage happened; or
- if the actual cost of rebuilding is less than the cost of reinstatement at the location where the damage happened, then **our** payment is limited to the actual cost of rebuilding.

Any rebuilding or repairing of **your buildings** must commence within 6 months of the date that the destruction or damage occurred. If it does not commence within 6 months (or any other period which **we** agree with **you** in writing) **you** may have to pay any increase in cost caused by the delay. In the case of building works **you** may need to enter a separate domestic building contract with the repairer.

We will pay for the damaged portion of fixed coverings to walls, floors, and ceilings only in the room, hall, or passage where the damage occurred.

We will take reasonable steps to attempt to match any material used to repair **your buildings** with the original materials, however if **we** are unable to do so **we** will use the nearest equivalent available to the original materials. **We** will pay up to \$10,000 to match undamaged material in situations where:

- it is not possible or economically viable for **us** to acquire new material to replace the damaged material that reasonably matches the undamaged portion to a similar extent as immediately prior to the loss or damage occurring; and
- the amount of damaged material that cannot be matched to the undamaged material is more than 40% of the total material that would have to be replaced if all the matching damaged and undamaged material was replaced (limited to the room, hall, or passage when these materials are fixed coverings to walls, floors and ceilings).

How we settle your claim - contents

When **your contents** are destroyed, lost, or damaged during the **period of insurance** we will decide which of the following **we** will do to settle **your** claim:

- repair the **contents** item(s) to the condition it was in immediately before it was destroyed, lost or damaged;
- replace the **contents** item(s) with the nearest equivalent new item; or
- pay **you** the **cash settlement value** of the replacement or repair.

The situations when **we** may choose to pay **you** the **Cash settlement value**, instead of repairing or replacing **your contents**, include:

- if parts needed for the repair are not readily available in Australia;
- if an item that is being replaced is not readily available in Australia; or
- if the repair or replacement will take a significant amount of time; for example, due to unavailability of service providers.

In such situations, **we** will pay the **Cash settlement value** in respect of **your** claim or part of it.

If **you** request a cash settlement instead of the repair or replacement of **your contents**, **we** will have regard to the circumstances of **your** claim and consider any preference **you** may have. If **we** agree, **we** will pay the **Cash settlement value**.

We will pay for the cost of replacing any damaged:

- carpets;
- wall, floor and ceiling coverings; and
- internal blinds and curtains;

but only in the room, passage or hall where **your contents** were destroyed, lost or damaged.

When a destroyed, lost or damaged item of **your contents** is part of a pair, set or collection, **we** will only pay for the value of the destroyed, lost or damaged item itself, unless **you** have chosen to specify that pair, set or collection as a 'valuable item' (see optional cover 'Valuable items'). If the item is not specified like this, then the most **we** will pay is the value that the item has as a proportion of the combined pair, set or collection. **We** will only pay the cost of replacing the item even though the pair, set or collection to which it belongs is less valuable because it is incomplete.

Assisting us with your claim

You or the claimant under this policy must reasonably assist **us** with managing the claim. This includes providing **us** with the information, co-operation and assistance that **we** reasonably require. That may include attending one or more interviews at **our** reasonable direction.

If **you** or the claimant under this policy fail to reasonably assist **us** with the claim, **we** may reduce or refuse to pay it.

After your claim is accepted

After **we** have paid a claim under **your** policy, either in total or in part, **we** have the right to take over any legal right of recovery which **you** or a claimant under this policy have. If **we** do this, it will be for **our** benefit and at **our** expense (if **you** have been fully reimbursed). **You** or they must provide **us** with reasonable co-operation. For example, **you** or they must not limit or restrict **your** rights of recovery against any third party without **our** prior written consent.

We have the right to keep any damaged property **we** have paid for under **your** policy, including any proceeds if the items are sold.

If **we** recover more than the amount **we** paid **you** or the claimant under this policy, **we** will pay **you** or them the balance after deducting any expenses incurred by **us** in undertaking the recovery.

If any person compensates **you** or them for the insured damage of any property for which **we** have paid a claim, **you** or they must reimburse **us** for that payment. **You** or they must do this promptly after the compensation payment is made.

Reinstatement of cover following a claim

If **you** have a **buildings** or **contents** claim that does not result in **us** paying **you** the full amount of the **buildings** sum insured or general **contents** sum insured respectively, **your** cover for the insured property will continue up to the sum insured shown on **your policy schedule** (including the adjustments in the 'About your sum insured' section).

If **you** have a claim for **your contents** that results in **us** paying **you** the general **contents** sum insured, the cover for **your contents** will end.

If **you** have a claim for **your buildings** that results in **us** paying **you** the sum insured, the cover for **your buildings** will end but liability cover will remain in force until the expiry date of the policy. However, liability cover in relation to **your buildings** formerly occupied by **you** will continue until the earliest of the expiry of **your** policy and:

- any construction commencing at the **insured address**;
- the sale of the **insured address** or any part of it;
- another policy that includes equivalent liability cover being taken out by **you** in relation to the **insured address**;
- the commencement of construction of a building to replace the insured **buildings** at another site; or
- 6 months from the date of the destruction, loss or damage that resulted in that claim.

Lifetime guarantee on building repairs

If **you** have a **buildings** claim then **we** guarantee that if a defect arises in **your buildings** as a result of poor quality workmanship or poor quality materials when **we** replace, repair or rebuild **your buildings**, provided that **we**:

- have directly authorised and managed the replacement, repairs or rebuilding; and
- have paid, or have a legal liability to pay, the supplier, repairer or builder directly for this work;

then **we** will rectify the problem by authorising, managing and paying for further replacement, repair or rebuilding. **We** will, at **our** discretion, decide what needs to be done to rectify the problem.

This guarantee does not apply to:

- replacement, repairs or rebuilding that **you** arrange, authorise or make yourself (this applies even if **we** give **you** or **your** supplier, repairer or builder a payment for all or part of the repair cost);
- loss, damage or failure of any electrical or mechanical appliances or machines that form part of **your buildings**; or
- wear and tear consistent with normal gradual deterioration of **your buildings** (e.g. paint peeling off as part of its normal life cycle, wood rotting from moisture in the air or ground, roofs weathering or a hot water system leaking as a result of normal gradual deterioration).

Claims examples

Below are some examples of claim scenarios that are included here to show how a claim payment might typically be calculated. These examples are a guide only and do not cover all of the potential scenarios or all benefits that may be paid under this policy. They do not form part of the terms and conditions of **your** policy.

All dollar figures shown in these claim examples, except for **excesses**, include GST and are in Australian dollars. Each example also assumes the claimant has not claimed any input tax credits for the GST collected on their **premium**. That is, the claimant holds a 0% input tax credit entitlement under GST law.

BZI will determine actual claims payments on an individual basis taking into consideration the facts applicable to the claim and **our** assessment of any loss, damage or liability, as well as the coverage, exclusions and **excesses** set out in this policy and on **your policy schedule**.

Example 1 – partial loss to buildings and contents

You have **your buildings** and **contents** insured under a **BZI Home Buildings and Contents Listed Events Base** policy, with the following details:

- **Buildings** sum insured: \$600,000
- General **contents** sum insured: \$120,000
- **Buildings excess**: \$1,000
- **Contents excess**: \$500

A few months into the **period of insurance**, there is a major bushfire event that results in damage to some of **your buildings** and some of **your contents** at the **insured address**.

We assess the claim and determine that it will cost the following amounts which include GST:

- the cost to rebuild the **buildings** will be \$350,000;
- it will cost \$50,000 to remove the debris;
- architect’s fees will be \$30,000;
- temporary accommodation whilst rebuilding takes place will be \$35,000;
- the general **contents** damaged or destroyed are valued at \$60,000.

How much we pay		Explanation
Cost to rebuild your buildings	\$350,000	The buildings sum insured is sufficient to cover the cost of rebuilding.
Removal of debris	\$50,000	Paid in addition to the buildings sum insured.
Architect’s fees	\$30,000	Paid in addition to the buildings sum insured.
Temporary accommodation	\$35,000	Paid in addition to the buildings sum insured.
Replacement cost for contents	\$60,000	Based on the assessment of the value of the contents damaged or destroyed.
Less excess payable	-\$1,000	Only one excess is payable, the higher of the buildings and contents excesses .
Total of claim payments	\$524,000	

Example 2 – theft of valuable item

Your contents are insured under a **BZI** Home Buildings and Contents Listed Events Base policy. **You** have a watch with a retail valuation of \$15,000 and because there is a 'flexible limit' of \$1,000 per item for jewellery and watches **you** have chosen to list it is a 'specified valuable item' on **your** policy with \$15,000 as the specified value (as detailed on **your policy schedule**).

During a burglary at **your** property the watch is stolen.

How much we pay		Explanation
Cost to replace your watch	\$13,000	We organise for the replacement of your watch through a reputable jeweller and pay them \$13,000 (including GST) for the replacement. As an insurance provider we are able to obtain a wholesale discount of \$2,000 on this occasion.
Less excess payable	-\$200	This is the excess payable under the 'specified valuable items' optional cover.
Total of claim payments	\$12,800	

Example 3 – legal liability

Your buildings are insured under a **BZI** Home Buildings and Contents Listed Events Base policy with a standard **excess** of \$1,000.

At a social gathering at **your** property one of **your** guests trips over an uneven tile in **your** backyard and unfortunately breaks their leg. They make a claim for loss of wages for an 8-week period and some out of pocket expenses. After **we** assess the circumstances behind the claim **we** determine that **you** are legally liable for this claim and that the amount **you** are liable for is \$12,000.

How much we pay		Explanation
Total amount of claim	\$12,000	Paid to the injured party.
Less excess payable	-\$0	No excess is payable because the claim is only under the 'Legal liability' cover.
Total of claim payments	\$12,000	

Goods and Services Tax

You must advise **us** of **your** correct input tax credit percentage (**your** entitlement to GST credits on the insurance **premium**), where **you** are GST registered as a business and have an Australian Business Number.

We will not indemnify **you** for any GST liability, fines or penalties that arise from or are attributable to **your** failure to notify **us** of **your** entitlement (or correct entitlement) to an input tax credit on the **premium**.

The sum insured values that **you** choose should exclude GST and all dollar amounts in this PDS are exclusive of GST unless stated otherwise.

In the event of a claim, if **you** are not registered for GST, **we** will reimburse **you** the GST component, in addition to the amount **we** pay **you**. If **you** are registered for GST the amount that **we** are liable to pay under this policy will be reduced by the amount of any input tax credit that **you** are or may be entitled to claim for the supply of goods or services covered by that payment.

If **you** are unsure about the taxation implications of this policy, **you** should seek advice from **your** accountant or tax professional.

WHERE WE COVER

Cover at the insured address

Your buildings and/or **contents** are covered at the **insured address**, as shown on **your policy schedule**.

If **you** have **contents** cover, **your contents** items are covered while they are inside a building that is fully enclosed at the **insured address**.

They may be covered in the open air at the **insured address** or away from the **insured address** subject to the limitations and exclusions in the 'Contents in the open air', 'Contents away from your insured address' and 'Contents away from your insured address - theft' sections below.

Contents in the open air at the insured address

If **you** have **contents** cover, **your contents** items are covered while they are in the open air at the **insured address**. **Your contents** are in the open air when they are not in a building that is fully enclosed.

The most **we** will pay for **contents** in the open air in any one claim is the general **contents** sum insured shown on **your policy schedule**, except where the claim relates to damage by '**flood**', '**storm**' (including **storm surge**) or 'theft, attempted theft or burglary' **listed events** in which case the most **we** will pay in any one claim is the greater of:

GENERAL EXCLUSIONS

Section 54 of the Insurance Contracts Act 1984

We will take into account section 54 of the Insurance Contracts Act 1984 (Cth) when **we** assess any claim made under this **policy**.

Section 54 of the Insurance Contracts Act prevents **us** from refusing a claim because of something **you** or some other person has done, or not done, after the **policy** was entered into, unless that thing caused or contributed to the claimed loss. But **we** can reduce a claim by an amount that fairly represents **our** prejudice because of the thing that was done or not done.

Subject to section 54 of the Insurance Contracts Act 1984 (Cth), there is no cover under any section of this policy for damage, loss, cost or legal liability that is caused by, arises from or involves any of the following:

Cover will only be provided up to the sums insured covered under the expired policy (any increase in sums insured will not be covered for these events for the first 72 hours specified);

Once **you** are aware of the problem, **you** need to fix it within a reasonable time period; failing which, **we** may not accept any future claims caused by the same or related problem. A reasonable time period depends on a number of factors, including the scope of the required repairs and the availability of repairers in **your** area;

- cracking, collapse or subsidence, caused fully or partially by renovations, extensions or alterations to the **buildings** at the **insured address**;
