Steadfast does not issue, guarantee or underwrite this policy. Steadfast does not act on behalf of **BZI** or the **insurer**.

About this insurance

Our Motor Insurance policy offers two levels of cover. If chosen:

- Comprehensive cover which covers **your vehicle** for accidental loss or damage and **your** legal liability;
- Third Party Property Damage cover which covers **your** legal liability only.

Depending on the level of cover **you** choose, **we** also provide a range of 'additional benefits' under the Additional Benefits section and **you** may also be able to add some 'optional covers' under the Optional Covers section.

For a summary of benefits available under this policy, please see the 'Benefits summary' section.

To find out what this policy covers please read this PDS to ensure **you** have the cover **you** need.

How to apply for this policy

Throughout this document when **we** are referring to **your** insurance broker or adviser, **we** simply refer to them as **your** intermediary.

If **you** are interested in buying this product or have any inquiries about it, **you** should contact **your** intermediary who should be able to provide **you** with all the information and assistance **you** require.

If **you** are not satisfied with the information provided by **your** intermediary, **you** can contact **us** at the address or telephone number shown on the back cover of this document. However, **we** are only able to provide factual information or general advice about the product. **We** do not give advice on whether the product is appropriate for **your** personal objectives, needs or financial situation. Therefore, **you** should carefully read this document before deciding whether to purchase this product or not.

Cooling-off period

After **you** apply for (or renew) a **BZI** product and **you** have received the PDS, **you** have **30 days** to check that the policy meets **your** needs. Within this time **you** may cancel the policy and receive a full refund of any **premiums** paid (less any non-refundable government charges, taxes and levies that **we** have paid and are not recoverable), unless:

- **you** have made a claim under **your** policy; or
- **you** have exercised any right or power **you** have in respect of **your** policy or the policy has ended.

Your request will need to be forwarded to **us** via **your** intermediary.

You can cancel **your** policy at any time after the cooling-off period. Please refer to 'Cancellation' under the 'General terms and conditions' section.

Our contract with you

You must pay **us** or **your** intermediary the agreed **premium** by the date due, to ensure there is cover under this policy. If **we** accept a claim under this policy, **you** will always need to pay **us** the **premium** due. **Your** policy is a contract of insurance between **you** and the **insurer**.

Your policy is made up of:

- The policy wording beginning with the 'What you are covered for' section. This is common to all customers who buy **our BZI Motor Insurance** product. It tells **you** what is covered, sets out the claims procedures, exclusions and other terms and conditions of cover;
- **Your policy schedule** provided by **us** for the relevant **period of insurance**. The **policy schedule** is a separate document unique to **you**, which shows the insurance details relevant to **you**. It includes any agreed changes, exclusions, terms and conditions made to suit **your** individual circumstances; and
- Any other written change otherwise advised by **us** in writing (such as an endorsement or a supplementary PDS). These written changes vary or modify the above documents.

This document is also the PDS and policy wording for any offer of renewal **we** may make, unless **we** tell **you** otherwise. Please keep **your** policy documents in a safe place.

Unless stated otherwise in the policy, if there is more than one insured on the policy, then anything which any of the insureds says, does or omits to advise to **us**, applies to and affects the rights of all of the insureds under this policy or any claim made under it. **We** only need a request from one insured to change or cancel **your** policy, or to tell **us** where an approved claim payment should be paid.

Significant issues to consider

Insurance contracts contain policy exclusions, policy terms and conditions and policy limits and sub-limits that **you** should be aware of when deciding to purchase **our** product. These things may affect the amount of the payment that **we** will make under a claim on this policy.

We may express some policy terms, policy limits or sub-limits as being either a dollar amount or a percentage of **your** sum insured shown in **your policy schedule** or some other amount, factor or item specified in the relevant clause or this document.

You should be aware of the following matters in considering whether this product is suitable for **your** needs.

Exclusion for new business policies

There is no cover under this policy for bushfire, grassfire, storm, hail, flood or tsunami in the first 72 hours from the start date shown on **your policy schedule**. Very limited exceptions apply. For full details see the 'General exclusions' section.

Excesses can apply

For each of the available covers an **excess** may apply. Please refer to the 'Excesses' section for more details.

Exclusions

In some circumstances, this policy contains a number of exclusions, some of which are common in insurance policies. Before making a decision about whether to purchase this policy, **you** should read the full details of all relevant exclusions, which are contained in this PDS. Some may not be relevant to **you**, however **you** should make yourself aware of all the exclusions that apply in all sections of this PDS.

Please refer to the 'General exclusions' section for the specific details.

General terms and conditions

General terms and conditions applicable to all cover provided under this policy set out **your** obligations with which **you** need to comply. Please refer to the 'General terms and conditions' section.

In addition, **you** should make yourself aware of all the terms and conditions that apply to the various covers detailed within this policy. If **you** or someone else (to the extent they would normally be covered under this policy) claim on this policy and do not meet them, **we** may be able to decline or reduce the claim payment or cancel **your** policy.

Make sure you have the cover you need

You should discuss with **your** intermediary the appropriate cover for **you** and the amounts and risks for which **you** need to be insured. If **you** do not adequately insure for the relevant risks **you** may have to bear any uninsured losses yourself.

You should also advise **your** intermediary to notify **us** as soon as possible when **your** circumstances change which are relevant to **your** policy. For instance, if **you** have made any modifications to **your vehicle** or the location it is parked overnight has changed then **we** should be notified. If **you** do not tell **your** intermediary of these changes, in the event of **you** suffering a loss or damage, **your** sum insured may not be adequate to cover **your** loss, or **you** may not even have any cover under **your** policy.

When answering our questions

Under Australian insurance law **you** have a duty to take reasonable care not to make a misrepresentation when answering **our** questions. This means that when getting a quote, buying or amending a policy, **you** need to answer **our** questions accurately and completely.

This duty applies in the same way to someone answering **our** questions on **your** behalf, as well as anyone else who answers **our** questions and is to be covered by this policy.

If **we** send **you** a renewal invitation **you** also need to check if all of the information on it is accurate and complete.

If **our** questions are not answered accurately and completely, **we** may reduce or not pay a claim, cancel **your** policy or treat it as if it never existed.

Renewal

At least 14 days before the policy expires **we** will provide **you** with a notice, offering **our** renewal terms, or explaining the reason for not renewing **your** policy. If **we** offer to renew **your** policy, **you** are not obliged to renew the policy with **us**. **We** encourage **you** to check the new amounts to make sure they continue to cover **your** needs.

You must check all the information recorded in **our** offer of renewal and tell **us** immediately if any of it is inaccurate or incomplete. This includes any changes that have occurred during the term of **your** policy; for example, changes to the insured property, the address where the insured property is kept, and the people covered by **your** policy.

Any changes to the information in **our** offer of renewal may cause **us** to change **our** decision to offer renewal of **your** policy or the terms on which **we** offer such renewal. If **you** do not tell **us**, **we** may reduce or not pay a claim, cancel **your** policy or treat it as if it never existed.

If **your** nominated method of paying **your premium** is by direct debit, and **you** decide to renew this policy, then **we** will continue to debit **your** nominated bank account or credit card for the remainder of the **period of insurance**. If **you** pay **your premium** annually, **you** must pay the full amount by the due date shown on **your** renewal invitation in order for cover to continue into the renewed **period of insurance**.

This PDS (together with any amendments, updates or endorsements that **we** give **you** in writing) also applies for any offer of renewal **we** make, unless **we** tell **you** otherwise or provide **you** with a new updated PDS.

Your cooling-off period applies on each renewal. See Cooling-off period section for details.

Each renewal is a separate contract and not an extension of the prior contract.

ABOUT YOUR PREMIUM

How we determine your premium

The amount of **your premium** is determined by taking a number of different matters into account.

It is important for **you** to know in particular that the **premium** varies depending on the information **we** received from **you** about the risk to be covered by **us**. The higher the risk is, the higher the **premium** will be. Based on **our** experience and expertise **we** decide what factors increase **our** risk and how they should impact on the **premium**. Each insurer can do this differently.

In this product the following are some of the factors that are taken into consideration when determining the appropriate **premium**:

- the value of **your vehicle**, including any non-standard modifications or accessories that have been added to it;
- where the **vehicle** is parked overnight;
- the details of the **named drivers** of **your vehicle**, including their age, sex, driving experience and claims history;
- whether the **vehicle** is used for private purposes, or also used in conjunction with a business;
- the level of cover **you** have chosen and whether **you** have chosen any optional covers;
- the **excess** **you** have chosen. If **you** elect to take a higher **excess** in the event of a claim, this will reduce the cost of **your premium**. **Your** intermediary can supply **you** with quotes based on differing amounts of **excesses**.

Your intermediary can arrange for **you** to be provided with a quote for a **premium**. **You** will need to give relevant personal details to **your** intermediary at this time to enable **us** to calculate **your premium**.

Another important thing to know is that **your premium** also includes amounts that take into account **our** obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Insurance Duty, Goods and Services Tax (GST) and Emergency Services Levy) in relation to **your** policy. These amounts will be set out separately on **your policy schedule** as part of the total amount due for the policy.

Minimum **premiums** may apply. Minimum **premiums** and **your** previous year's **premium** are commercial factors that may limit **premium** increases and decreases from the combination of the factors and any discounts. A minimum **premium** is the least amount of **premium** **we** will accept for the insurance and factors and any discounts will not reduce the **premium** below minimum **premium**. Your previous year's **premium** is taken into account on renewal and may limit **premium** increases and decreases from the combination of the factors and limit discounts.

BZI may also add an agency fee to the **premium** that is charged, and this will be shown on **your policy schedule**. The agency fee will only be refunded when the policy is cancelled within the cooling-off period or where the cancellation is effective from the start of the **period of insurance**.

How to pay your premium

There are three ways that **you** can pay **your premium**:

- an annual payment to **your** intermediary;
- if provided, an annual payment directly to **BZI** from **your** credit card or from **your** bank account which can be arranged by **you** or **your** intermediary; or
- if provided, in monthly instalments by automatic deduction from **your** credit card or from **your** bank account which can be arranged by **you** or **your** intermediary.

You must pay **your premium** in the manner set out on **your policy schedule**.

How to pay your premium via your intermediary

If **you** are paying **your** annual **premium** via **your** intermediary, **you** must pay them by the due date shown on **your policy schedule**. If **your premium** is unpaid after the due date **we** may be entitled to reduce or refuse to pay a claim or cancel this policy.

How to pay your annual premium directly to BZI

If **you** are paying **your** annual **premium** directly to **BZI**, **we** will deduct **your** annual **premium** from **your** nominated bank account or credit card within three business days after the day the details of the credit card or bank account have been provided to **us**.

If an attempt to deduct **your** annual **premium** is dishonoured for any reason, **we** will notify **you** and/or **your** intermediary and provide details on:

- any actions required by **you**; and
- when **we** will next attempt to deduct the annual **premium**.

After three unsuccessful attempts to deduct the annual **premium**, **we** may cancel this policy. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and when the cancellation will become effective.

How to pay your instalment premium

We will deduct **your** instalment **premium** each month from **your** nominated bank account or credit card on the day of the month shown on **your policy schedule** as **your** payment date.

Where a bank account is provided for payment, any payments falling on a weekend or public holiday will be deducted on the next business day. Where a credit card or debit card is provided, any payments falling on a weekend will be deducted on the following weekday, even if that weekday falls on a public holiday.

When **you** renew **your** policy, **we** will continue to deduct **your** instalment **premiums** for **your** renewed policy on the same day of the month, unless **you** tell **us** otherwise.

Further details of **your** instalments are shown on **your policy schedule**.

If any instalment **premium** is dishonoured for any reason, **we** will notify **you** and/or **your** intermediary and provide details on:

- any actions required by **you**; and
- when **we** will next attempt to deduct that instalment **premium**.

After three unsuccessful attempts to deduct a given instalment **premium**, **we** may cancel this policy. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and the date of cancellation.

In the event that **you** fail to make any of **your** instalment **premium** payments when they are due, **you** may be responsible for any administration or dishonour fees which may be charged by **your** financial institution.

We are entitled to deduct any unpaid **premium** instalments from any amount **we** pay under a total loss claim.

We may not pay a claim under this policy if, at the time the claim occurred, any instalment of **premium** has remained unpaid for 14 days or more.

You must tell **us** if **your** nominated bank account or credit card details change. To ensure **your** cover is not affected, **you** must do this no later than seven days before **your** next instalment is due.

If **your** policy has been included as part of a 'package' of **BZI** policies then the instalment **premiums** for all policies on that package will be combined and one instalment will be collected on each instalment date. The details of the combined instalment schedule for the package will be shown on **your** package schedule which **your** intermediary should provide to **you**.

If an instalment for a package is dishonoured for any reason then the approach detailed above will apply to all policies in that package. In particular, after three unsuccessful attempts to deduct a given instalment **premium** for a package, **we** may cancel all policies in the package. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and the date of cancellation.

ABOUT THE VALUE OF YOUR VEHICLE

Under this policy **we** may insure **your vehicle** for an **agreed value** or for its **market value**. **Your policy schedule** will show whether **your vehicle** is insured for an **agreed value** or **market value**. Unless otherwise stated the value of **your vehicle** in this policy will include GST. Please see the 'Goods and Services Tax' section for more details on how **we** will treat GST in the event of a claim.

Agreed value

When **your vehicle** is insured for **agreed value**, the **agreed value** will be shown on **your policy schedule** and is the amount **we** agree to insure **your vehicle** for. The **agreed value** should include the value of any non-standard accessories or modifications added to **your vehicle**. See the 'Non-standard modifications and accessories' section below for more details.

Market value

When **your vehicle** is insured for **market value**, if there is a claim on **your vehicle** **we** will assess its **market value** at that point in time by considering:

- the condition of **your vehicle** and its age at the time of the incident giving rise to the claim;
- any non-standard accessories or modifications added to **your vehicle** that have been specified on **your policy schedule** (see below for more details);
- local market prices for vehicles similar to **your vehicle**; and
- one or more motor vehicle valuation guides commonly used by the motor industry.

Non-standard modifications and accessories

All tools, accessories and modifications on **your vehicle** that are supplied or fitted as standard features or equipment by the manufacturer are automatically included in the **market value** or **agreed value**.

If **your vehicle** has non-standard accessories or modifications added to it (including those fitted by the manufacturer or dealer) then they must be notified to **us** and **we** must agree to insure them under this policy, in which case:

- they will be shown on **your policy schedule**, including the value that they have been insured for which is the most **we** will pay for that item in any one claim; and
- **we** may charge an additional **premium** or impose a policy condition.

All performance-enhancing modifications must be notified to **us** so **we** can decide whether **we** agree to insure, or continue to insure, the **vehicle** including those modifications under this policy.

CLAIMS

About making a claim

How to make a claim

If **you** need to make a claim under this policy, please contact **your** intermediary to assist **you** in lodging the claim with **us**.

Alternatively, if it is an emergency outside business hours or **you** would like to lodge the claim with **us** directly, please use one of the following methods to do so:

- phone **us** on 1300 253 692 or +61 2 9301 8018 (if dialling from overseas); or
- register **your** claim online at www.bzi.com.au/newclaim and **our** claims staff will contact **you**.

What you must do

If there is an incident which may result in **you** needing to claim under this policy, **you** must:

- ensure everyone is safe and if necessary call for emergency services;
- take reasonable steps to prevent and limit any further loss or damage;
- promptly make a report to the police if:
 - **your vehicle** has been stolen or maliciously damaged; or
 - **your vehicle** has been involved in an accident that has resulted in someone being injured;

and provide **us** with the details of the police officer and police station where it was reported or the police event number;

- if **your vehicle** is involved in an accident **you** must take reasonable steps to collect the full names, addresses and vehicle registration numbers of all other drivers involved. If practicable, **you** must also collect the names and contracts details for any witnesses or owners of damaged property, for example of a fence **your vehicle** damaged;
- contact **us** promptly (see the 'How to make a claim' section above) and:
 - provide **us** with any information required to understand the circumstances of the loss or damage so **we** can lodge the claim and determine the most appropriate next action;
- tell **us** about **your** entitlement to input tax credits (ITCs) for **your** insurance **premium** if **you** are registered for goods and services tax (GST) (see the 'Goods and Services Tax' section for more detail);
- **We** will tell **you** of the next steps to ensure the claim can be resolved without undue delay.
- notify **us** promptly if **you** receive or become aware of any of the following:
 - demands from other parties involved;
 - notices of prosecution or impending prosecution;
 - details of an inquest or official enquiry; or
 - other similar communications from anyone involved in the incident.

Any delay in telling **us** about any of these may result in no cover for legal or other costs resulting from that delay.

What you must not do

If **you** believe that **you** are likely to make a claim under this policy, **you** must not:

- admit to anyone that **you** were responsible for the loss or damage, or that the accident was **your** fault;
- negotiate, offer or promise any payments associated with the claim;
- accept any payment from anyone (including payment of any **excess** amount) unless **you** have **our** prior consent;
- agree to settle any claim without **our** prior consent;
- authorise or carry out any repairs without **our** authority, except emergency repairs which are required to allow **you** to safely drive **your vehicle** from the location of where the loss or damage occurred (please see the 'Emergency repairs' additional benefit);
- dispose of any property that has been damaged, or stolen property that is recovered; or
- make any false statements in connection with **your** policy or any claim **you** make.

If **you** do not follow these steps, **we** can reduce any claim by an amount that fairly represents the extent to which **our** interests have been prejudiced.

Please also read General Exclusions, to understand the very limited circumstances in which **we** may cover certain claims in connection with which false statements have been made.

Excesses

For each of the available covers, an **excess** may apply. An **excess** is not an additional fee charged by **us** at the time of making a claim. Rather, it is the uninsured first portion of a loss for which **you** are otherwise covered for under the policy's terms.

Details of the **excess** amounts and circumstances in which they will be applied are set out in the definition of **excess** (see 'Definitions' section) and the relevant section of this PDS that explains the cover **we** provide.

In this policy one or more of the following **excesses** may apply, depending on the circumstances of the claim:

- basic **excess**;
- undeclared young driver **excess**;
- undeclared inexperienced driver **excess**;
- undeclared driver history **excess**.

The amount of these **excesses** will be shown on **your policy schedule** or in this PDS. Please refer to the remainder of the following sections for more details on when these **excesses** may apply.

In some situations no **excess** will need to be paid (see 'When you do not have to pay an excess' below).

If an excess applies to **your** claim, **you** will need to pay it to **us** or to one of **our preferred repairers** when **we** request it, and no later than when **we** are finalising the processing of **your** claim.

Basic excess

The basic **excess** applies to all claims on the policy unless specifically stated in the 'When you do not have to pay an excess' section below.

The basic **excess** you have chosen will be shown on **your policy schedule**.

Undeclared young driver excess

The undeclared young driver **excess** applies to any claim where the driver of **your vehicle** (or **substitute vehicle**) at the time of the incident that gave rise to the claim:

- is under the age of 25; and
- is not a **named driver** listed on **your policy schedule**.

The undeclared young driver **excess** is payable in addition to the basic **excess** on the policy.

You will not be required to pay the undeclared young driver **excess** when:

- the basic **excess** is not payable (see 'When you do not have to pay an excess' below); or
- the claim is for one of the following (and the basic **excess** is payable):
 - loss or damage only to the windscreen, window glass, mirror glass or sunscreen glass;
 - damage by another vehicle while **your vehicle** is parked and this was not caused or contributed to by any user of **your vehicle**;
 - theft, attempted theft, vandalism or malicious damage; or
 - hail, storm, flood or fire damage; or
- the driver was:
 - a learner driver accompanied by someone with a full unrestricted Australian driver's licence; or
 - performing their duties as a car park or valet attendant, or whilst **your vehicle** was being repaired or serviced; or
- **you** can prove that **you** did not consent to that person driving **your vehicle** (or **substitute vehicle**).

Undeclared inexperienced driver excess

The undeclared inexperienced driver **excess** applies to any claim where the driver of **your vehicle** (or **substitute vehicle**) at the time of the incident that gave rise to the claim:

- is aged 25 years or over; and
- has had their driver's licence for less than two years (Australian licence or international equivalent, including 'P plate' period); and
- is not a **named driver** listed on **your policy schedule**.

The undeclared inexperienced driver **excess** is payable in addition to the basic **excess** on the policy.

You will not be required to pay the undeclared inexperienced driver **excess** when:

- the basic **excess** is not payable (see 'When you do not have to pay an excess' below); or
- the claim is for one of the following (and the basic **excess** is payable):
 - loss or damage only to the windscreen, window glass, mirror glass or sunscreen glass;
 - damage by another vehicle while **your vehicle** is parked and this was not caused or contributed to by any user of **your vehicle**;
 - theft, attempted theft, vandalism or malicious damage; or
 - hail, storm, flood or fire damage; or

- the driver was a learner driver accompanied by someone with a full unrestricted Australian drivers licence; or
- **you** can prove that **you** did not consent to that person driving **your vehicle** (or **substitute vehicle**).

Undeclared driver history excess

The undeclared driver history **excess** applies to any claim where the driver of **your vehicle** (or **substitute vehicle**) at the time of the incident that gave rise to the claim:

- has had their driver's licence cancelled, suspended, disqualified or restricted in the three years prior to the start of the **period of insurance**; and
- is not a **named driver** listed on **your policy schedule**.

The undeclared driver history **excess** is payable in addition to the basic **excess** on the policy.

You will not be required to pay the undeclared driver history **excess** when:

- the basic **excess** is not payable (see 'When you do not have to pay an excess' below); or
- the claim is for one of the following (and the basic **excess** is payable):
 - loss or damage only to the windscreen, window glass, mirror glass or sunscreen glass;
 - damage by another vehicle while **your vehicle** is parked and this was not caused or contributed to by any user of **your vehicle**;
 - theft, attempted theft, vandalism or malicious damage; or
 - hail, storm, flood or fire damage; or
- **you** can prove that:
 - **you** did not consent to that person driving **your vehicle** (or **substitute vehicle**); or
 - **you** had no reason to suspect their driver's licence had been cancelled, suspended, disqualified or restricted in the 3 years prior to the start of the **period of insurance**.

When you do not have to pay an excess

You will not be required to pay any **excess** if:

- the accident was not **your** fault, meaning:
 - it was a multi-vehicle collision and the driver of **your vehicle** did not cause or contribute to the accident; or
 - **your vehicle** was damaged by another vehicle while parked and this was not caused or contributed to by any user of **your vehicle**.

You will need to provide **us** with the full name and address of each responsible party, and the registration numbers of their vehicles involved in the accident.

- the claim is covered under the 'Windscreen excess waiver' optional cover for Comprehensive cover if it has been selected and added to **your** policy's cover.

Choice of repairer

If 'Choice of repairer' option has not been included

If **your policy schedule** shows that **you** have not included the 'Choice of repairer' option and **your vehicle** requires repairs under a claim on this policy which **we** have accepted, **we** will arrange for one of **our preferred repairers** near **your** location that has the right equipment and expertise to carry out those repairs.

A list of **our preferred repairers** is available on **our** website at bzi.com.au/claims-repairer-network.

If none of **our preferred repairers** are suitable to perform the repairs to **your vehicle** (for example if there are none within a reasonable distance) then **we** will work with **you** to identify another licensed repairer to undertake the repairs.

In some situations **we** may decide to pay **you** the reasonable cost of repairing **your vehicle** (see 'When we will pay the reasonable cost of repairing your vehicle' below).

If 'Choice of repairer' option has been included

If **your policy schedule** shows that **you** have included the 'Choice of repairer' option and **your vehicle** requires repairs under a claim on this policy which **we** have accepted, **you** can arrange for the repairs to be done by a licensed repairer of **your** choice. **We** will need to be provided with the quote for the repairs from the repairer of **your** choice so **we** can assess it and the proposed repair method.

If **you** choose for the **vehicle** to be repaired by a repairer of **your** choice that is not one of **our preferred repairers** then **we** can choose to:

- authorise and manage the repairs to be done at the repairer of **your** choice; or
- not authorise or manage the repairs carried out by **your** chosen repair and instead pay **you** an amount equal to the reasonable costs of repairing **your vehicle** (see "when we will pay reasonable costs of repairing your vehicle" below).

Whether **you** have included the 'Choice of repairer' option or not, where **we** have authorised the repairs **we** will work closely with the repairer to ensure that the best outcome for **your vehicle** is achieved.

Replacement parts, extras and accessories

If **we** authorise and manage the repairs to **your vehicle** through one of **our preferred repairers** or a repairer of **your** choice, **we** will authorise that repairer to:

- only use genuine manufacturer parts if the **vehicle** is under its standard new vehicle warranty period (but not under extended warranty and not in relation to windscreens or window glass – see 'Windscreen or window glass repairs' below);
 - otherwise use:
 - new parts where reasonably available; or
 - recycled or re-conditioned parts;
- in each case the parts used will meet Australian Design Rules requirements and will be consistent with the age and condition of **your vehicle**.

The most **we** will pay for a spare part, extra or accessory is:

- the maker's last list price in Australia; or
- if it is not available in Australia:
 - the cost of the part, extra or accessory and the cost of freight from the nearest reasonable source of supply; or
 - the cost of a similar comparable spare part, extra or accessory;

plus an amount equal to the reasonable cost for fitting it to **your vehicle**.

Windscreen or window glass repairs

If **your vehicle** requires repairs to a windscreen, window glass, mirror glass or sunroof glass, **we** may replace the glass with glass that was not produced by the original manufacturer but which will meet Australian Design Rules.

What happens after you make a claim

Settling or defending your claim

We will be solely responsible for determining whether **you** or the driver or user of **your vehicle** contributed to the cause of the accident or not.

If **we** accept the claim under this policy, only **we** have the right to:

- make or accept any offer or payment, or in any other way admit that **you** are liable;
- settle, or attempt to settle, any claim; or
- defend any claim.

Assisting us with your claim

You or the claimant under this policy must reasonably assist **us** with managing, settling or defending the claim, including:

- providing **us** with the information, co-operation and assistance that **we** reasonably require. This may include:
 - allowing us to inspect your vehicle at a location we choose at a reasonable time;
 - letting us move your vehicle, at our expense, to another repairer or supplier, to allow it to be assessed or to obtain an alternative quote;
 - attending one or more interviews at **our** reasonable direction;
- send **us** copies of any notice, letter, claim, writ or summons promptly after **you** or the claimant receive it; and
- co-operate with **us** in defending or settling the claim, or in recovering any amount payable under this policy from another person (see below).

You or the claimant under this policy must assist **us** even after the claim has been paid, for example if legal proceedings arise as a result of the incident giving rise to the claim.

If **you** or the claimant under this policy fail to reasonably assist **us** with the claim, **we** may reduce or refuse to pay it.

Our rights of recovery

After **we** have paid a claim under **your** policy, either in total or in part, **we** have the right to take over any legal right of recovery which **you** or the claimant have. If **we** do this, it will be for **our** benefit and at **our** expense (if **you** have been fully reimbursed) and **we** have full discretion in the conduct, settlement or defence of any claim **we** bring in **your** or their name.

You or the claimant must not limit or restrict **your** or their rights of recovery against any third party without **our** prior written consent. If **you** or they prevent **our** right to recover by agreeing not to seek compensation from a person who is liable to compensate **you** or them for any loss, damage or liability that is covered under this policy, **we** will not provide **you** or them with cover under this policy for that loss, damage or liability.

If **we** recover more than the amount **we** paid **you** or the claimant, **we** will pay **you** or them the balance after deducting any expenses incurred by **us** in undertaking the recovery.

Authorising repairs

You cannot authorise repairs to **your vehicle** without **our** authority, except emergency repairs which are required to allow **you** to safely drive **your vehicle** from the location of where the loss or damage occurred (please see the 'Emergency repairs' additional benefit).

Prior to **us** making a decision about **your** claim and any repairs that may be required **we** may need to get a motor vehicle assessor to inspect **your vehicle**. **We** will make the necessary arrangements with **you** to allow this to happen.

When we will pay the reasonable cost of repairing your vehicle

In the following situations, **we** will pay the reasonable cost of repairing **your vehicle**:

- if **we** cannot agree with **you** about the assessment of the required repairs or their value;
- if the parts required for the repair of **your vehicle** are not easily available;
- if **we** identify a concern with the pre-claim condition of **your vehicle**;
- if **we** identify a concern with the way **your vehicle** is to be repaired or the timing of that repair;
- if there are no licensed repairers that are suitable to perform the repairs to **your vehicle** (for example if there are none within a reasonable distance);
- if **your policy schedule** shows that **you** have not included the 'Choice of repairer' option but **you** have taken **your vehicle** to a repairer that is not one of **our preferred repairers** without **our** prior agreement; or
- if **your policy schedule** shows that **you** have included the 'Choice of repairer' option and **you** have chosen the repairer of **your vehicle** but **we** cannot agree with **you** or **your** chosen repairer about the repair quote or the way **your vehicle** is to be repaired.

In the above situations, **we** will pay **you** the reasonable cost of repairs. **We** determine the reasonable cost of repairing **your vehicle** by considering a range of factors including:

- a quote from **your** chosen repairer;
- a quote from a **preferred repairer** (or another repairer chosen by **us**) that **we** may choose to obtain;
- reports from an experienced motor vehicle assessor appointed by **us**;
- the location of **your vehicle**.

We may require **your vehicle** to be moved elsewhere, at **our** expense, to be assessed or to obtain an alternative quote.

If **we** pay the reasonable cost of **your vehicle's** repairs, then **you will** need to organise the repairs to **your vehicle** yourself, and **you** will also need to pay the applicable **excess** to us.

Lifetime guarantee for repairs

If **we** authorise the repairs to **your vehicle** through one of **our preferred repairers** or a repairer of **your** choice, and **we** manage those repairs to completion, then **we** will guarantee the repairs against any defect due to workmanship or faulty material for the life of **your vehicle**.

If **we** do not authorise the repairs to **your vehicle**, or **we** do not manage the repairs to completion (for example, if **we** cannot agree on the method of repair with **you** or **your** chosen repairer) then **we** will not provide a lifetime guarantee for the repairs.

Sub-contracting repairs

When **we** authorise a repairer to repair **your vehicle** that repairer may sub-contract some of the repairs to a person of their choice. This will usually occur when the repairer is unable to perform the repairs itself because they require the services of a specialist repairer or supplier.

Parts required to repair your vehicle

Please refer to the 'Replacement parts, extras and accessories' and 'Windscreen or window glass repairs' sections for more information on how **we** manage any parts, accessories or windscreen or window glass required to repair **your vehicle**.

Salvage of your vehicle

If **we** pay a claim for the **total loss** of **your vehicle**, the wreckage of **your vehicle** (including any non-standard accessories or modifications noted on **your policy schedule**) will become **our** property. **We** will keep any proceeds from the sale of the wreckage.

Premiums following a total loss

If **we** determine that **your vehicle** is a **total loss** and **we** have agreed to pay **you** the **agreed value** or **market value** of **your vehicle**:

- any unpaid **premium** for the **period of insurance** that the claim occurred in will be deducted from the claim payment (except if **you** are paying by instalments and **we** are replacing **your vehicle** – see below);
- **we** will not return the **premium** associated with the unexpired portion of the **period of insurance**; and
- if **we** allow **you** to retain **your** damaged **vehicle**, **we** will deduct the fair value of the wreckage from the claim payment.

If **we** replace **your vehicle** under the 'New-for-old replacement following total loss' additional benefit (see the Comprehensive cover only section) then **we** will continue to cover the replacement **vehicle** for no additional **premium** until the end of the **period of insurance**. However, if **you** are paying **your premium** by instalments **you** will need to continue to pay the instalments for the remainder of the **period of insurance**.

When we may refuse a claim

To ensure **you** or any other claimant under this policy understand any situations in which a claim may be refused, it is important that the following two sections of the PDS are read and understood:

- the 'General terms and conditions' section which sets out the obligations under this policy with which any claimant needs to comply; and
- the 'General exclusions' section which lists situations where **we** may refuse to pay a claim.

Hire car arrangements

If **we** have provided a hire car under an additional benefit or optional cover under this policy, **you**:

- may be required to enter a hire car agreement directly with the provider;
- are responsible for all running costs and extras, including paying the deposit, security bond, fuel, any upgrade costs, and the cost of reducing the standard hire car **excess**;
- are responsible for any penalties or fines (such as parking fines or speeding infringements) incurred in the hire car;
- may be provided with insurance cover for the hire car – please refer to the additional benefit 'Insurance cover for hire car' for more details;
- must arrange for and pay for all hire car costs (including the cost of insurance) for any period outside the period covered under this policy;
- may be required to refund any costs **we** incur with respect to a hire car if **you** withdraw **your** claim or **we** refuse to accept **your** claim.

Claims examples

Below are some examples of claim scenarios that are included here to show how a claim payment might typically be calculated. These examples are a guide only and do not cover all of the potential scenarios or all benefits that may be paid under this policy. They do not form part of the terms and conditions of **your** policy.

All dollar figures shown in these claim examples, except for **excesses**, include GST and are in Australian dollars. Each example also assumes the claimant has not claimed any input tax credits for the GST collected on their **premium**. That is, the claimant holds a 0% input tax credit entitlement under GST law.

BZI will determine actual claims payments on an individual basis taking into consideration the facts applicable to the claim and **our** assessment of any loss, damage or liability, as well as the coverage, exclusions and **excesses** set out in this policy and on **your policy schedule**.

Example 1 – partial loss following an at-fault accident

You have **your vehicle** insured under a **BZI** Motor Insurance policy, with the following details:

- Cover type: Comprehensive
- **Vehicle** value: \$26,000 (**agreed value**)
- Basic **excess**: \$1,000
- Optional covers: Hire car extension

Your vehicle is involved in an accident that is the fault of the driver of **your vehicle**, who is listed on **your policy schedule**. The car is safe to drive after the accident and does not require any emergency repairs.

We assess **your vehicle** and determine that it will cost \$4,000 to repair the **vehicle**.

Our preferred repairer estimates that the car will take five days to repair, during which time **you** will be entitled to a hire car (because **you** purchased the optional 'Hire car extension') and **you** tell **us** that **you** would like to use one of **our** providers for this.

How much we pay		Explanation
Repair costs	\$4,000	We will normally pay this directly to the repairer.
Less basic excess	-\$1,000	The basic excess is \$1,000 which is payable given the accident was the fault of the driver of your vehicle .
Two taxi fares to and from the repairer	2x\$40 \$80	You take a taxi from the repairer to the hire car provider and back again. We reimburse you for these two trips.
Hire car costs	\$300	We will pay the hire car provider directly for the five day period (at \$60 including GST a day daily hire fee) while your vehicle was being repaired.
Total of claim payments	\$3,380	

Example 2 – total loss

You have **your vehicle** insured under a **BZI** Motor Insurance policy, with the following details:

- Cover type: Comprehensive
- **Vehicle** value: \$46,200 (**agreed value**) including GST
- Basic **excess**: \$600

Your vehicle is stolen and subsequently recovered burnt out three days later. **We** assess **your vehicle**, are satisfied **your** claim is in order and determine that given the damage it has suffered it is a **total loss**.

In **your vehicle** at the time it was stolen was a child seat and backpack containing a laptop, neither of which have been recovered.

During the period from **us** accepting **your** claim to **us** finalising **your** claim **you** agree to a hire car from **our** provider under the 'Hire car following theft' additional benefit.

How much we pay		Explanation
Total loss payment	\$46,200	The agreed value for the vehicle including GST.
Child seat	\$400	We determine that it will cost \$400 to replace the child seat.
Personal items and clothing	\$1,000	The laptop costs \$1,200 to replace, however the maximum we will pay for any item under the 'Personal items, clothing and tools of trade' additional benefit for Comprehensive cover is \$1,000 (GST inclusive).
Less excess payable	-\$600	Only the basic excess applies.
Less outstanding premium	\$0	The annual premium for this period of insurance was \$1,400 and has been paid. The claim happens halfway through the period of insurance , however we do not return the unexpired portion of the premium . If the premium was being paid by instalments then any future instalments would be included here.
Hire car costs	\$840	We will pay the hire car provider directly for the 14-day period (at \$60 including GST a day daily hire fee) from the day after your vehicle is stolen to the day we settle your claim.
Total of claim payments	\$47,840	This amount would normally be paid directly to you in a total loss situation.

Example 3 – legal liability for damage to a third party's property

You have **your vehicle** insured under a **BZI** Motor Insurance policy, with the following details:

- Cover type: Third Party Property Damage
- Basic **excess**: \$500

A driver of **your vehicle** who is under 25 years of age and not listed on **your policy schedule** is involved in an accident in **your vehicle**, and the accident is their fault. The damage to the third party's vehicle will cost \$3,800 to repair and they will also be entitled to a hire car for five days at \$80 per day.

How much we pay		Explanation
Third party's repair costs	\$3,800	We will normally pay this to the third party claimant.
Third party's hire car costs	5x\$80 \$400	We will normally pay this to the third party claimant.
Less excess payable: <ul style="list-style-type: none">▪ Basic excess▪ Undeclared young driver excess	-\$500 -\$1,250	Because the driver of your vehicle was under 25 years old and not listed on your policy schedule , in addition to the basic excess of \$500 you will also need to pay us the undeclared young driver excess of \$1,250.
Total of claim payments	\$2,450	We will pay this amount as well as the value of the excesses paid by you to the third party claimant (so, \$4,200 in total).

Example 4 – emergency repairs and accommodation after a not-at-fault claim

You have **your vehicle** insured under a **BZI** Motor Insurance policy, with the following details:

- Cover type: Comprehensive
- **Vehicle** value: **Market value**
- Basic **excess**: \$1,000
- Optional covers: None

While on holiday in **your vehicle you** are involved in an accident where the driver of the other vehicle was at fault. At the scene of the accident **you** capture the name, address, registration plate and insurance details of the other driver and provide them to **us** as part of notifying **us** of the claim.

In order to drive **your vehicle** back home **you** need some emergency repairs in the nearest town (which is 300km from where **you** live) and these emergency repairs can only be done the following morning.

Once **you** return home **we** assess **your vehicle** and determine it can be repaired and that it is safe to do so. **We** arrange for one of **our preferred repairer** network to perform the repairs. **You** tell **us** that **you** will require a hire car while it is in being repaired and **you** will arrange that directly with a hire car provider that **we** agree to.

How much we pay		Explanation
Emergency repair costs	\$300	This is below the limit of \$500 for the 'Emergency repairs' additional benefit so we will pay this in full.
Emergency accommodation costs	\$180	Because the accident occurred more than 100km from where you live we will pay for the night's accommodation in the local town (up to \$500).
Repair costs	\$7,000	We will pay this directly to our preferred repairer .
Hire car costs	7 days @\$80 \$560	Although you didn't purchase the 'Hire car extension' optional cover, a hire car is provided under the 'Hire car following a not-at-fault accident' additional benefit. Because you used your provider we will pay up to \$100 per day for the seven days you needed the hire car while your vehicle was being repaired.
Less excess payable:	\$0	No excess is payable because you were not at fault and able to provide us with the details required by this policy of the other driver.
Total of claim payments	\$8,040

It also sets out timeframes for insurers to respond to claims, complaints and requests for information from customers.

The **Code** covers many aspects of a customer's relationship with their insurer, from buying insurance to making a claim, to providing options to those experiencing financial hardship or vulnerability, to the process for those who wish to make a complaint. **We** encourage **you** to tell **us** if **you** are experiencing vulnerability, so that **we** can best assist **you**.

GOODS AND SERVICES TAX

You must advise **us** of **your** correct input tax credit percentage (**your** entitlement to GST credits on the insurance premium), where **you** are GST registered as a business and have an Australian Business Number.

We will not indemnify **you** for any GST liability, fines or penalties that arise from or are attributable to **your** failure to notify **us** of **your** entitlement (or correct entitlement) to an input tax credit on the **premium**.

The sum insured values that **you** choose should include GST and all dollar amounts in this PDS are inclusive of GST unless stated otherwise.

In the event of a claim, if **you** are not registered for GST, **we** will reimburse **you** the GST component, in addition to the amount **we** pay **you**. If **you** are registered for GST the amount that **we** are liable to pay under this policy will be reduced by the amount of any input tax credit that **you** are or may be entitled to claim for the supply of goods or services covered by that payment.

If **you** are unsure about the taxation implications of this policy, **you** should seek advice from **your** accountant or tax professional.

WHAT YOU ARE COVERED FOR

This section details what's covered under this policy, which is dependent on the level of cover chosen as shown on **your policy schedule**. The cover that is provided under this policy should also be considered in conjunction with the 'General terms and conditions' section and the 'General exclusions' section.

Comprehensive cover

If **your policy schedule** shows that **you** have selected Comprehensive cover then, subject to the terms, conditions, limits and exclusions of the policy, this policy covers the following:

- Accidental loss or damage to **your vehicle**; and
- Legal liability – third party property damage.

Third Party Property Damage cover

If **your policy schedule** shows that **you** have selected Third Party Property Damage cover then, subject to the terms, conditions, limits and exclusions of the policy, this policy covers the following:

- Legal liability – third party property damage.

Please note that no cover is provided under the 'Accidental loss or damage to your vehicle' section if **you** have selected Third Party Property Damage cover.

Accidental loss or damage to your vehicle

Comprehensive

Third Party Property Damage

This section of the policy covers accidental loss or damage to **your vehicle**, that occurs during the **period of insurance**, including:

- collision;
- impact;
- fire;
- theft and attempted theft;
- malicious damage and vandalism; and
- storm, flood and hail.

The cover provided under this section of the policy is subject to the terms of this PDS, including the General Exclusions.

If your vehicle is not a total loss

If **your vehicle** is not a **total loss**, then **we** will either:

- repair **your vehicle**, or any part of it;
- replace any part of **your vehicle**; or
- pay **you** the reasonable costs of repairing or replacing **your vehicle**, or any part of it.

If your vehicle is a total loss

If **your vehicle** is a **total loss** and there is a finance company with an interest in the **vehicle**, **we** will pay the total finance amount to the finance company and then pay **you** the balance (less any **excess** that applies). The equivalent process will apply if someone else has a financial interest in **your vehicle**.

The 'New-for-old replacement following total loss' additional benefit may also be relevant if **we** pay **you** a **total loss**.

The most we will pay

The most **we** will pay for accidental loss or damage to **your vehicle** is:

- the **market value** of **your vehicle** if **your policy schedule** shows that **your vehicle** is insured for **market value**; or
- the **agreed value** of **your vehicle** if **your policy schedule** shows that **your vehicle** is insured for **agreed value**.

Legal liability – third party property damage

Comprehensive

Third Party Property Damage

This section of the policy covers the users of **your vehicle** described below, when they meet this policy's terms and conditions, for their legal liability to pay compensation for loss or damage to other people's property as a result of an accident that occurs in Australia during the **period of insurance** that is caused by or arises from the use of:

- **your vehicle** (as shown in **your policy schedule**); or
- a caravan or trailer being legally towed by **your vehicle**.

This section of the policy extends to cover an accident that's caused by goods being carried by or falling from **your vehicle**, or the loading or unloading of **your vehicle**.

The cover for legal liability for loss or damage to other people's property under this section of the policy is provided where the person responsible is:

- **you**; or
- a person with a current driver's licence who is driving, using or in charge of **your vehicle** with **your** permission; or
- a passenger travelling in **your vehicle** or who is getting into or out of **your vehicle**; or
- **your** employer, principal or partner.

Subject to section 54 of the *Insurance Contracts Act 1984* (Cth), there is no legal liability cover under this section of the policy when:

- the loss or damage is to property which is owned by **you**, controlled by **you**, or in **your** possession, custody or control; or
 - the person legally liable is someone else that would otherwise be covered under this section of the policy and the loss or damage is to property which is owned by that person, controlled by that person, or in their possession, custody or control; or
 - **you** or the person responsible are entitled to be compensated for the same loss by any:
 - statutory or compulsory third party insurance policy;
 - statutory or compulsory insurance or compensation scheme or fund;
 - **you** or the person responsible would have been entitled to be compensated for the same loss by any:
 - statutory or compulsory third party insurance policy;
 - statutory or compulsory insurance or compensation scheme or fund;
- if **you** had insured or registered **your vehicle**, had lodged a claim under such a policy or scheme, or had complied with the requirements of such a policy or scheme or fund; or
- the claim for legal liability is brought in a court or judicial body outside Australia or in a court or other judicial body that applies other than Australian law.

See General Exclusions section for more information about section 54 of the *Insurance Contracts Act 1984* (Cth).

If **your vehicle** is a **total loss** as a result of a claim made under this policy, then the legal liability cover in this section ceases from the date that **we** make that declaration, unless **we** replace **your vehicle** under the 'New-for-old replacement following total loss' additional benefit in which case this legal liability cover is provided for the replacement **vehicle** until the end of the **period of insurance** in which the incident leading to the claim was made.

If **we** agree to pay a claim for legal liability under this section the most **we** will pay for a single event or series of related events is **\$30,000,000** inclusive of GST.

This amount includes:

- any compensation amount; and
- any legal fees or expenses that **we** agree to prior to them being incurred.

It does not include:

- any penalties, fines or punitive, exemplary, multiple or aggravated damages.

ADDITIONAL BENEFITS

The following additional benefits may also be provided under this policy, subject to the level of cover **you** have chosen which will be shown on **your policy schedule**. Please refer to the table at the top of each additional benefit to determine whether it is provided under the level of cover **you** have chosen.

Unless stated otherwise in the sections below, these additional benefits will be paid in addition to any amount payable under the 'What you are covered for' section.

Comprehensive	<input checked="" type="checkbox"/>	Third Party Property Damage	<input checked="" type="checkbox"/>
---------------	-------------------------------------	-----------------------------	-------------------------------------

If **your policy schedule** shows that **you** have included the option for 'Choice of repairer' **you** may choose any licensed repairer to repair **your vehicle**.

If **your** claim is accepted and **your vehicle** can be repaired, **we** will arrange for a quote to be provided to **us** by **your** chosen repairer and **we** will assess the quote and repair method proposed by **your** chosen repairer.

We will either:

- authorise the repairs; or
- pay **you** the reasonable cost of repairing **your vehicle**;

as detailed in the 'Claims' section under 'Choice of repairer'.

We may not accept **your** repairer's estimate if **we** believe:

- they don't have the equipment or expertise to repair **your vehicle**;
- the scope of repairs may not be correct; or
- their estimate is not reasonable.

We determine the reasonable cost of repairing **your vehicle** by considering a range of factors including:

- the quote from **your** chosen repairer;
- a quote from a **preferred repairer** (or another repairer chosen by **us**) that **we** may choose to obtain;
- reports from an experienced motor vehicle assessor appointed by **us**;
- the location of **your vehicle**.

We may require **your vehicle** to be moved elsewhere, at **our** expense, to be assessed or to obtain an alternative quote.

GENERAL EXCLUSIONS

Section 54 of the Insurance Contracts Act 1984

We will take into account section 54 of the *Insurance Contracts Act 1984* (Cth) when **we** assess any claim made under this **policy**.

Section 54 of the Insurance Contracts Act prevents **us** from refusing a claim because of something **you** or some other person has done, or not done, after the **policy** was entered into, unless that thing caused or contributed to the claimed loss. But **we** can reduce a claim by an amount that fairly represents **our** prejudice because of the thing that was done or not done.

Subject to section 54 of the *Insurance Contracts Act 1984* (Cth), there is no cover under any section of this policy for a claim, where at the time of the damage, loss, cost or legal liability that resulted in the claim, any of the following apply:

The driver of the vehicle

Your vehicle (or **substitute vehicle**) was being driven by:

- any person, including **you**, who was not properly licenced to drive **your vehicle** (or **substitute vehicle**).
This exclusion does not apply if **you** can prove that:
 - **you** did not consent to that person driving **your vehicle** (or **substitute vehicle**); or
 - **you** had no reason to suspect that they were not properly licenced or were not complying with any conditions imposed on their licence.
- someone listed on **your policy schedule** as a “declined driver”.
- any person, including **you**, who:
 - was under the influence of alcohol and/or of any drug, or had a breath and/or blood alcohol level in **excess** of the legal limit prescribed by the law applying in the state or territory where the accident or event occurred;
 - refuses to submit to any test to determine the level of alcohol and/or drugs in the blood when reasonably requested by the police.

This exclusion does not apply if **you** can prove that:

- **you** did not consent to that person driving **your vehicle** (or **substitute vehicle**); or
- **you** had no reason to suspect that they were affected by alcohol and/or drugs.

The vehicle

Your vehicle (or **substitute vehicle**) was:

- being used to:
 - carry a number of passengers; or
 - carry or tow a load:

which is greater than relevant transport law allows or the **vehicle's** manufacturer has specified.

This exclusion does not apply if **you** can prove that the fact that the **vehicle** was overloaded did not cause or contribute to the loss, damage or liability.

- being used while in an unsafe or unroadworthy condition.

This exclusion does not apply if **you** can prove that:

- **you** or the relevant **named driver** could not reasonably have detected the unsafe or unroadworthy condition; or
- the fact that the **vehicle** was in an unsafe or unroadworthy condition did not cause or contribute to the loss, damage or liability.

The usage of the vehicle

Your vehicle (or **substitute vehicle**) was being used:

- to carry passengers for hire, fare or reward (including ridesharing), except:
 - under a private pooling arrangement; or
 - where **we** have agreed in writing.

If **your** full-time employer pays **you** a travelling allowance, **we** will not consider such an allowance as hire, fare or reward.

- as a fleet or pool **vehicle** where the **vehicle** is ordinarily used by more than one employee;
- airside at any airport;
- in any:
 - motor sport event, time trial or pacemaking;
 - trials, tests or experiments for reliability, speed or hill-climbing performance;
 - motor trade demonstration; or
 - being tested in preparation for any of the above;

except where **your vehicle** (or **substitute vehicle**) was being used in a registered charity rally and **we** have agreed to cover it.

- wilfully and recklessly by **you** or by someone with **your** permission to drive it. For example, but not limited to, street racing or burnouts;
- to carry flammable substances, chemicals or explosives, unless they are substances and quantities **you** are legally allowed to carry.

Other exclusions

The loss, damage or liability was:

- from a bushfire, grassfire, storm, hail, flood or tsunami in the first 72 hours of cover, unless this policy began on the same day:
 - **you** purchased **your vehicle**; or
 - that another policy which provided comparable insurance cover for the **vehicle** expired (but not when **you** cancelled the policy prior to its expiry date). Cover will only be provided up to the sums insured covered under the expired policy (any increase in sums insured will not be covered for these events for the first 72 hours specified).
- incurred anywhere outside of Australia;
- due to a deliberate, intentional, malicious or criminal act by **you** or a person acting with **your** express or implied consent. This exclusion will not apply where **we** have reviewed the claim and are reasonably satisfied that a particular person covered by this policy, who has a financial interest in the insured property, in respect of the claimed incident:
 - was a victim of domestic violence, coercion or a vulnerable person; and
 - did not contribute to, assist, facilitate or cause it.

If so, and the incident otherwise meets the terms of this policy, **we** will settle the claim for that particular person, but only to the extent of their financial interest in the insured property or legal liability.

- a result of or connected with any action taken in controlling, preventing or suppressing any **act of terrorism**;

- in any way related to the existence at any time of asbestos;
- caused by, or arises from or in connection with a Cyber Incident.

However, **we** will cover physical loss of or damage to the Vehicle resulting from:

- damage to, failure of or unavailability of its Computer Systems; and/or
- loss of, corruption of, or loss of access to Electronic Data,

caused by a Cyber Incident, if such loss is otherwise covered by this Policy.

We will also cover **your** reasonable legal costs and expenses incurred in defending any claim with respect to **your** legal liability to pay compensation arising from physical accidental damage to someone else's property caused by the use of **your** Vehicle and as a result of, arising from or in connection with a Cyber Incident.

This policy does not cover:

- depreciation or wear and tear to **your vehicle** (or **substitute vehicle**);
- damage to tyres caused by the application of brakes or by road punctures, cuts or bursts;
- mechanical, electrical or electronic (including computer software) breakdown, failure (including obsolescence) or breakage to **your vehicle** (or **substitute vehicle**);
- any non-financial loss including (but not limited to) any losses arising from physical inconvenience, time taken to resolve a claim or settlement, interference with expectations of enjoyment or peace of mind, injury to feelings or humiliation or pain and suffering;
